

Privacy and Personal Data Protection Policy

At Baril Manufacturing Inc., we place great importance on the privacy and security of our customers' and partners' personal data. This policy is designed to inform you of the measures we take to protect your personal data, in accordance with current laws and regulations on data protection.

1. Data Collection

We only collect the personal data necessary for customer service, such as name, email address, and phone number. This data can be collected through commercial transactions or during direct exchanges with our clients.

2. Use of Data

Your personal data is used solely for the purpose of providing you with our products and services, processing your orders, and communicating with you regarding your requests. We do not share your data with third parties without your explicit consent, except if required by law.

3. Data Security

We implement technical and organizational security measures to protect your personal data against unauthorized access, loss, or destruction. These measures are regularly reviewed and updated to ensure their effectiveness.

4. Data Retention

Your personal data is retained only for the duration necessary to achieve the purposes for which it was collected, or to comply with our legal obligations.

5. Your Rights

You have rights regarding your personal data, including the right to access, rectify, delete, and limit processing. To exercise these rights, or for any questions regarding our handling of your personal data, please contact us at the following address: info@barildesign.com.

6. Policy Changes

This privacy policy may be updated to reflect changes in our personal data management practices or legislative developments. Changes will be communicated on our website and via email to affected users.

This document contains proprietary information to Baril. The reproduction, use or disclosure of this information, beyond that specified in this document, is strictly prohibited, except with authorization by Baril.
