

B04 PETITE —

BARiL

STYLE × FUNCTION

Born from the desire to offer a versatile and timeless product, reminiscent of the ubiquitous little (PETITE) black dress, this collection will seduce you by its simplicity. Composed of accessible faucets and accessories, PETITE displays delicate and refined lines, yet is built with solid premium components. This collection is available in a wide range of finishes, including our new Black Titanium (KM).

Attention to Detail

BARiL faucets are designed with both style and function in mind. The perfect angle of the hand shower combined with the length of the nipples that allow the droplets to drip into the bath after use of the hand shower are only one example of our dual design thinking.
