

B14 OVAL —

BARiL

STYLE × FUNCTION

The OVAL Collection will charm you with its subtle and elegant oval shapes. This delicate, chic faucet is a classic among other round-based faucets, but with an original and feminine oval touch. The delicacy and soft touch of the handle stick makes it very pleasant to use.

STYLE × FUNCTION

Flawless finish

Multiple finishes available to give a personal touch to your faucet. Made with best technologies available

Refined design

The elegant assembly of delicate oval shapes make this faucet a classic with a touch of originality

European cartridge

Made with high performance ceramic, this cartridge is amongst the most durable on the market

Adjustable aerator

Allows adjustments in the water stream's direction by the touch of a finger

Streamlined look

BARiL uses push-button drains, therefore eliminating the need for an unsightly rod

Easy installation

Very sturdy installation using 2 threaded rods with a special tightening tool included in the box

High quality material

BARiL faucets last longer because they are forged of solid brass thicker than average

STYLE × FUNCTION

Dimensions:

Model: B14-1010-1PL-xx

Faucet height: 5-3/4"

Aerator clearance: 3"

Spout reach: 4"

Push-Button Drain

BARiL

STYLE × FUNCTION

With its large cap, the BARiL push-button drain looks more elegant than regular drains. It is also quicker and easier to install since there are no unsightly rods to adjust.

Impeccable design

The large cap covers the whole drain, giving it a high-end look.

Overflow

The included drain is one with overflow (po plug). For a drain without overflow (co plug), order B14-1010-01L-xx and REN-8403-02-xx or REN-8423-02-xx separately.

Robust tightening nut

Very sturdy installation thanks to a long and easy to tighten brass nut.

Specifications:

Model: REN-8422-02-xx

Diameter of the cap: 2-5/8"

Drain hole size: 1-3/4"

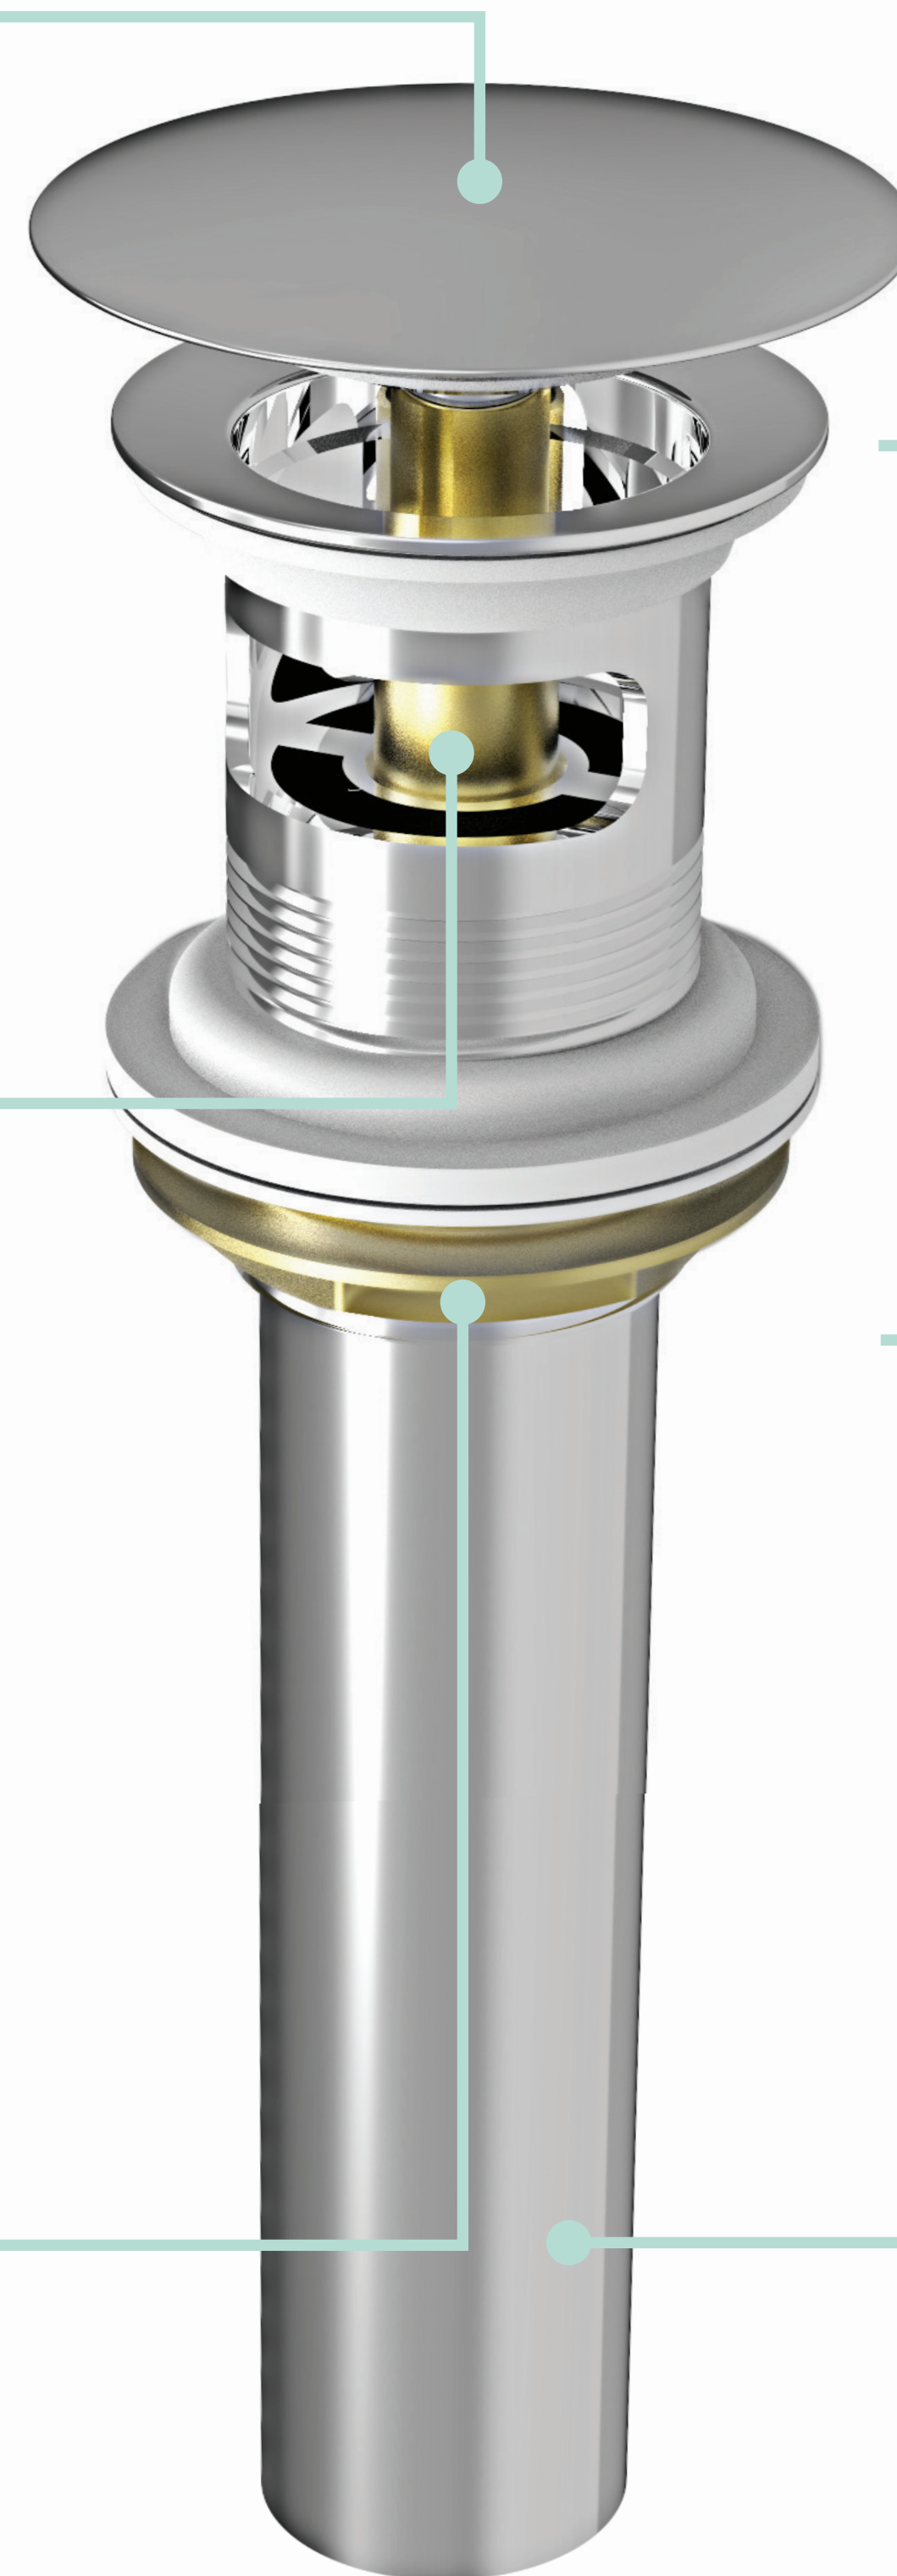

Rubber gaskets: Included

Adaptable length

The length between the metal ring and the end of the threaded pipe is 3-1/8" (80 mm), making it a fit for every sinks.

High quality material

BARiL drains last longer because they are made of solid brass thicker than average.

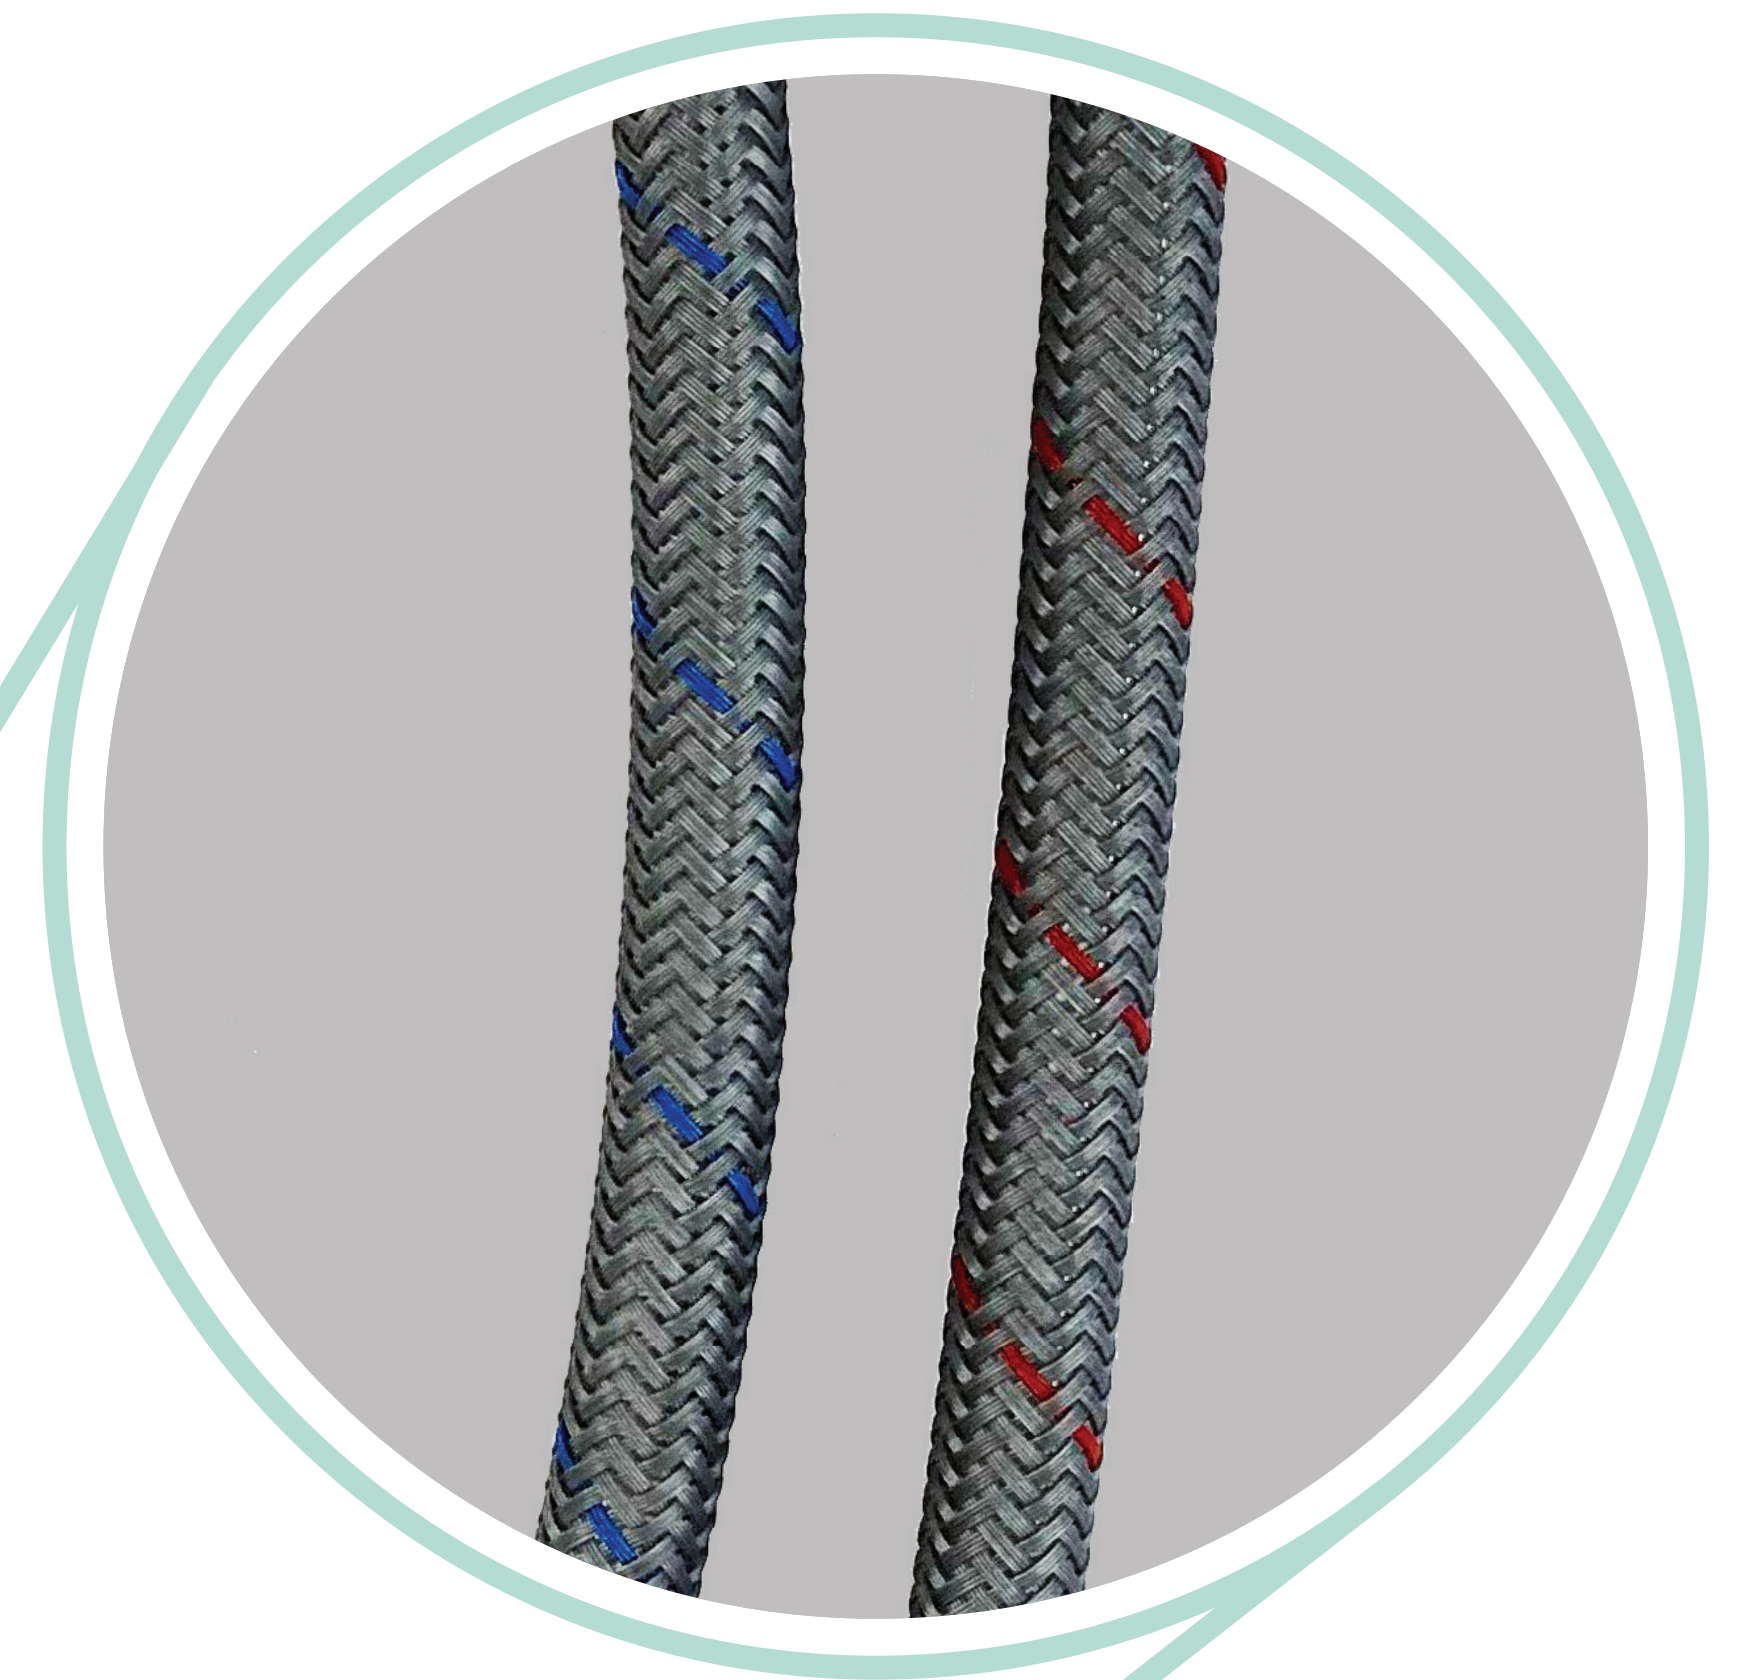

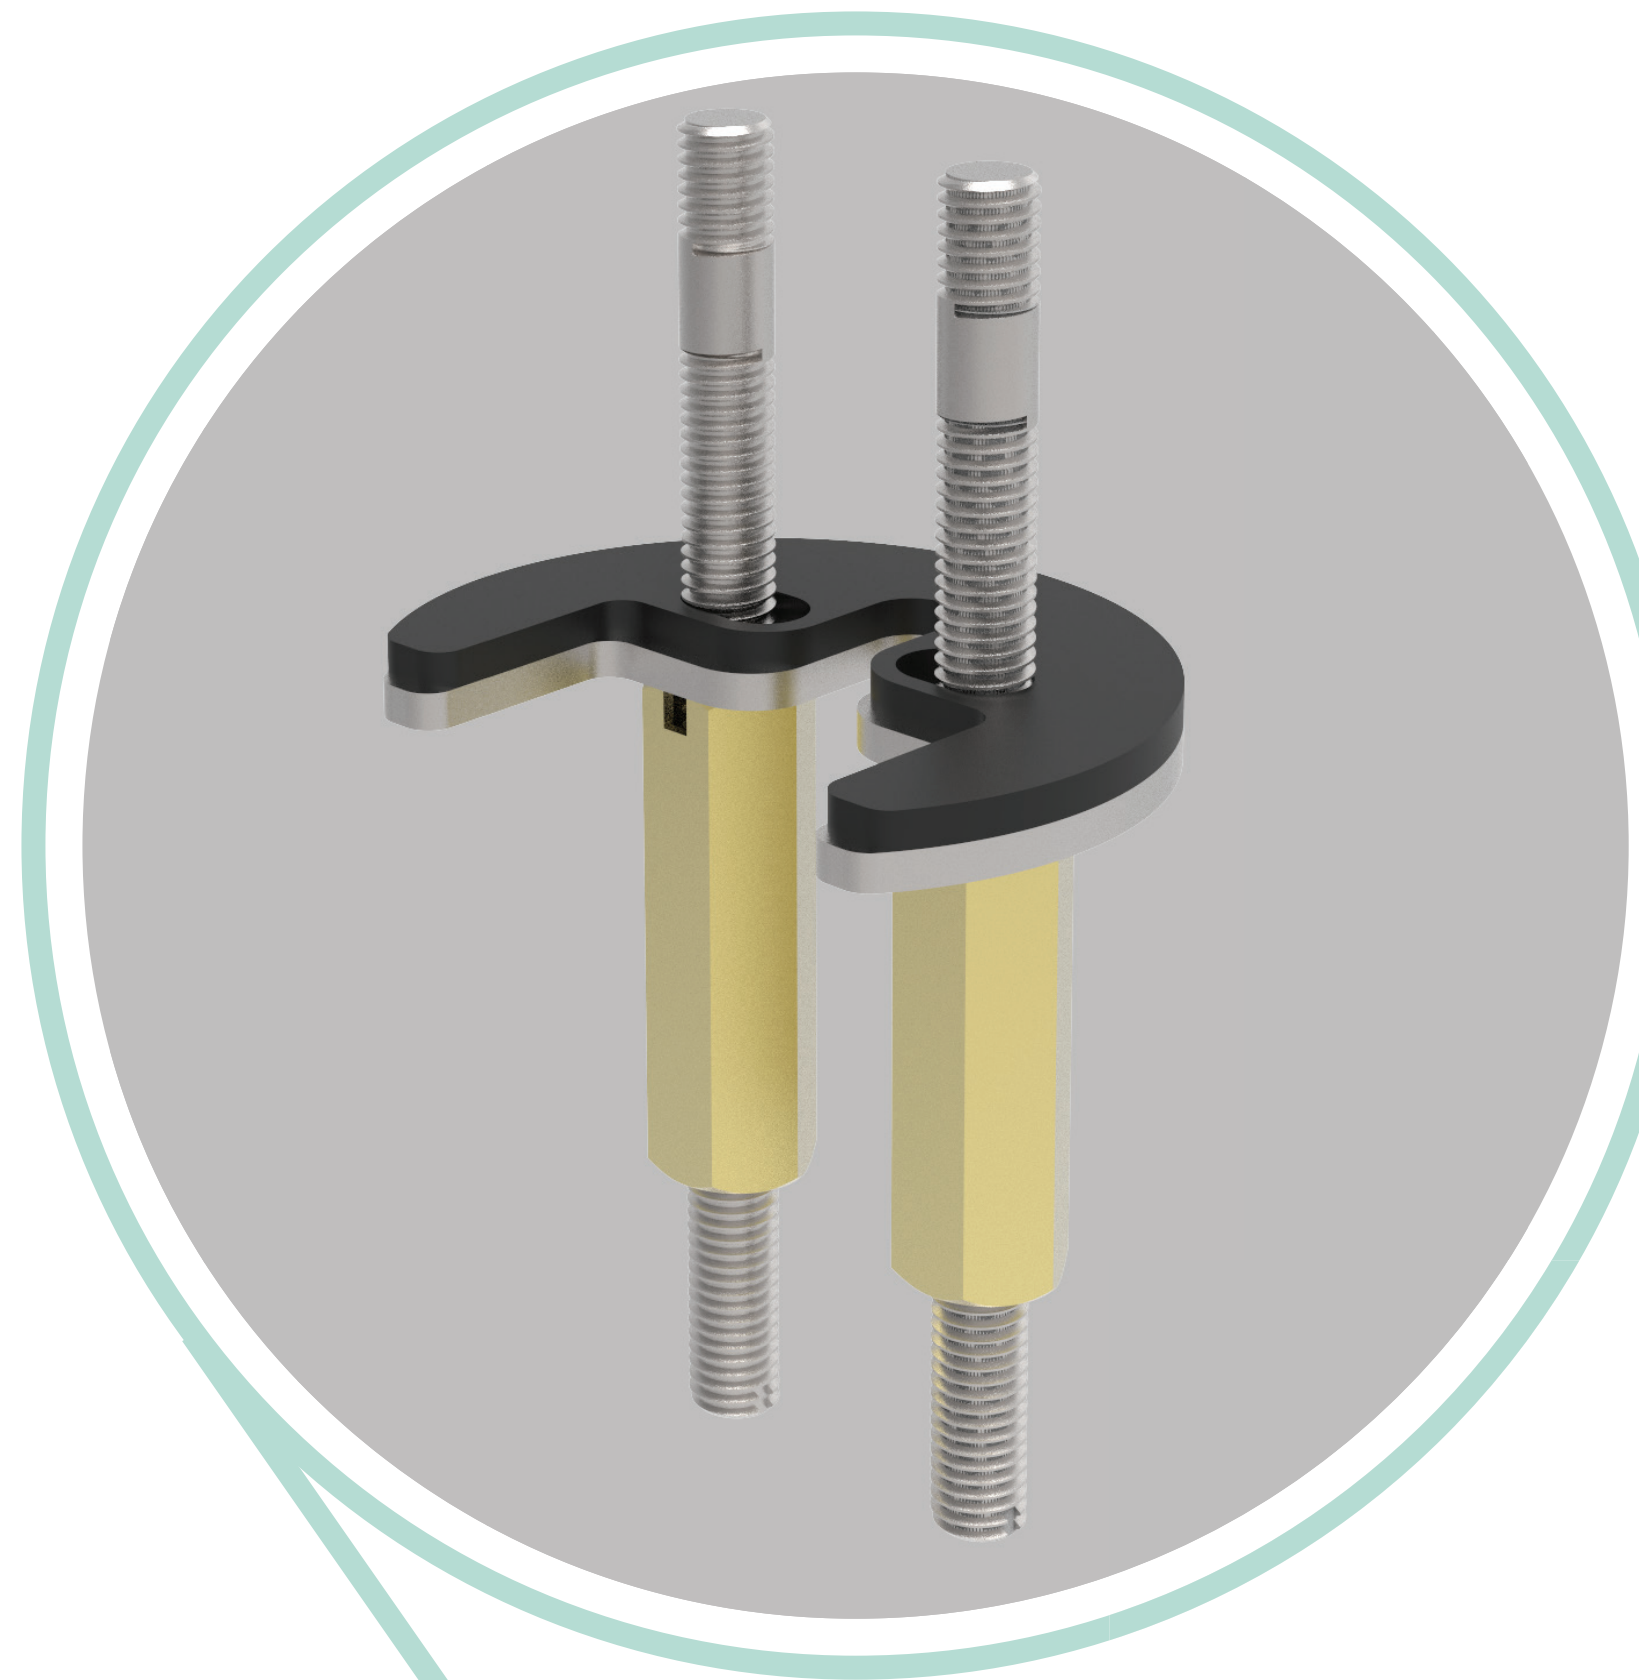

Easy installation —

Very sturdy installation using two threaded rods and a special tightening tool included in the box; easy to tighten, even with minimal space behind the lavatory.
