

# B45 SENS —

# BARiL

STYLE × FUNCTION

The SENS Collection will seduce you with the SENSuality of its design. The very harmonious lines of this faucet are consistent with the current round-square trend. In addition to being pleasant to touch thanks to its ergonomic shape, its modern design with softer and warmer curves fits as much with a large square sink as it does with an oval classic washbasin.

# B45 SENS

B45-1010-1PL-xx

Single hole lavatory faucet,  
drain included

# BARiL

STYLE × FUNCTION

## Flawless finish

Multiple finishes available to give a personal touch to your faucet. Made with best technologies available

## Adjustable aerator

Allows adjustments in the water stream's direction by the touch of a finger

## Easy installation

Very sturdy installation using a threaded rod with a special tightening tool included in the box

## Refined design

This modern but sensual design with soft and warm curves fits in most of the decors

## European cartridge

Made with high performance ceramic, this cartridge is amongst the most durable on the market

## Streamlined look

BARiL uses push-button drains, therefore eliminating the need for an unsightly rod

## High quality material

BARiL faucets last longer because they are forged of solid brass thicker than average

# Adjustable Aerator

# BARiL

STYLE × FUNCTION

Our easy-to-clean German-made swivel aerator lets you direct the flow where you want it. Simply rub this soft silicon aerator with your finger to clean it, and continue to enjoy its perfect crystal-clear stream. No more splashing!

## Ecological Options

BARiL is supporting the environment by offering options to reduce the water flow thereby economising your water usage

# Attention to Detail

BARiL faucets are designed with both style and function in mind. The perfect alignment of moving parts like the handle versus the body, is only one example of our dual design thinking.

# BARiL

STYLE × FUNCTION

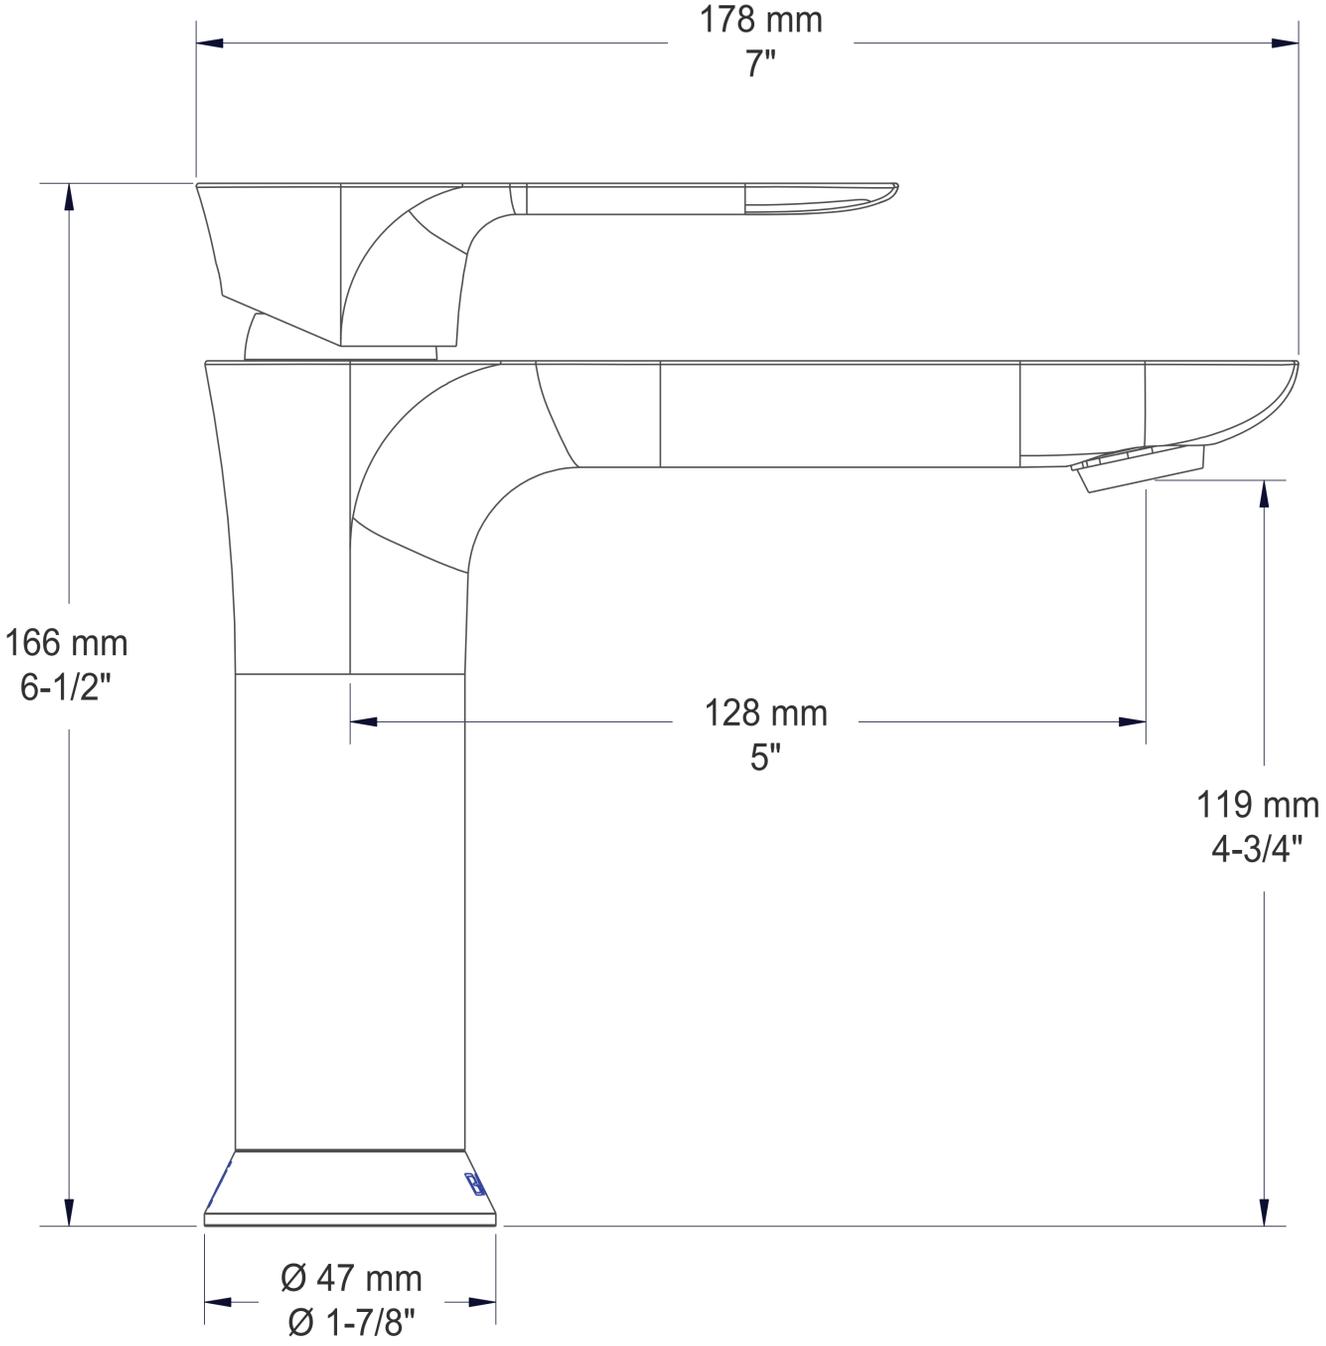

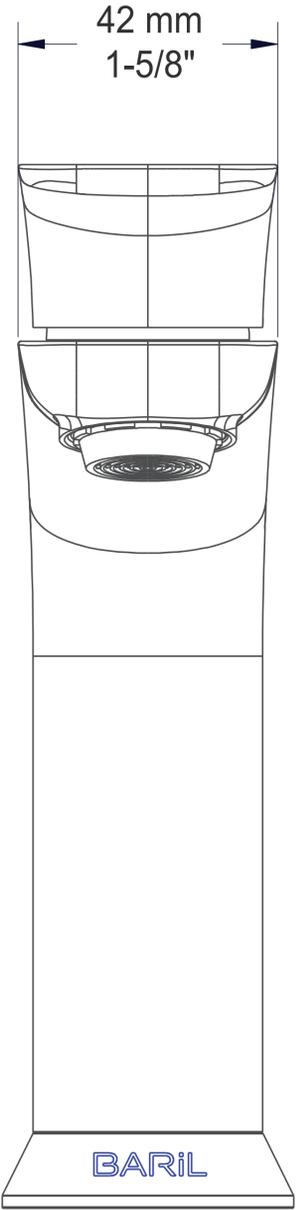

## Dimensions:

Model: B45-1010-1PL-xx

Faucet height: 6-1/2"

Aerator clearance: 4-3/4"

Spout reach: 5"

# Push-Button Drain

# BARiL

STYLE × FUNCTION

With its large cap, the BARiL push-button drain looks more elegant than regular drains. It is also quicker and easier to install since there are no unsightly rods to adjust.

## Impeccable design

The large cap covers the whole drain, giving it a high-end look.

## Overflow

The included drain is one with overflow (po plug). For a drain without overflow (co plug), order B45-1010-00L-xx and REN-8403-02-xx or REN-8423-02-xx separately.

## Robust tightening nut

Very sturdy installation thanks to a long and easy to tighten brass nut.

## Specifications:

Model: REN-8422-02-xx

Diameter of the cap: 2-5/8"

Drain hole size: 1-3/4"

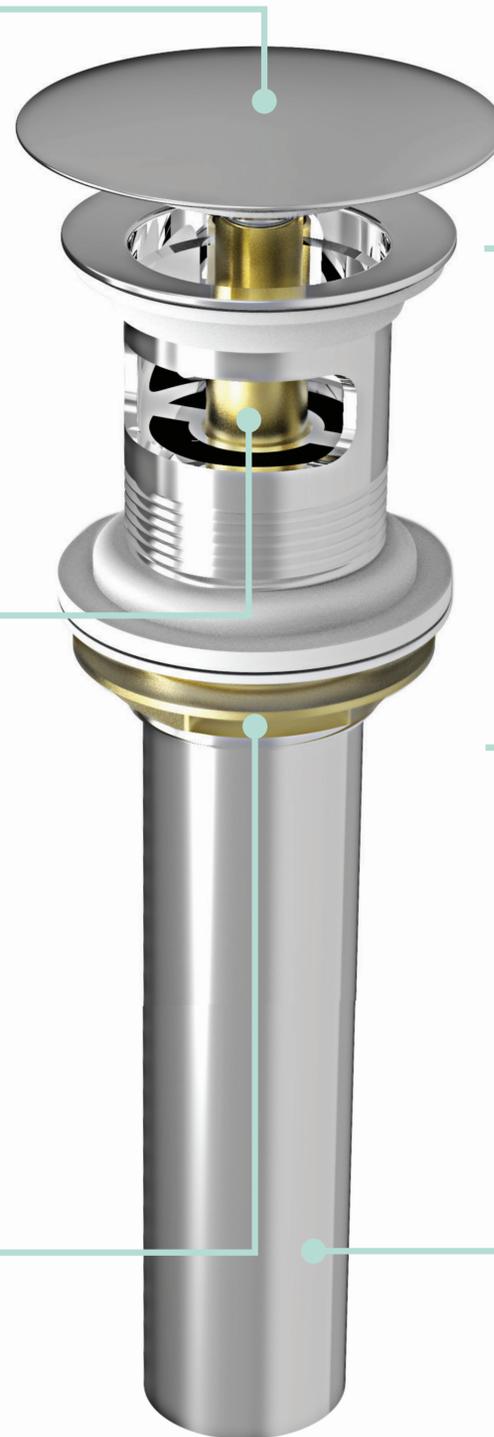

Rubber gaskets: Included

## Adaptable length

The length between the metal ring and the end of the threaded pipe is 3-1/8" (80 mm), making it a fit for every sinks.

## High quality material

BARiL drains last longer because they are made of solid brass thicker than average.

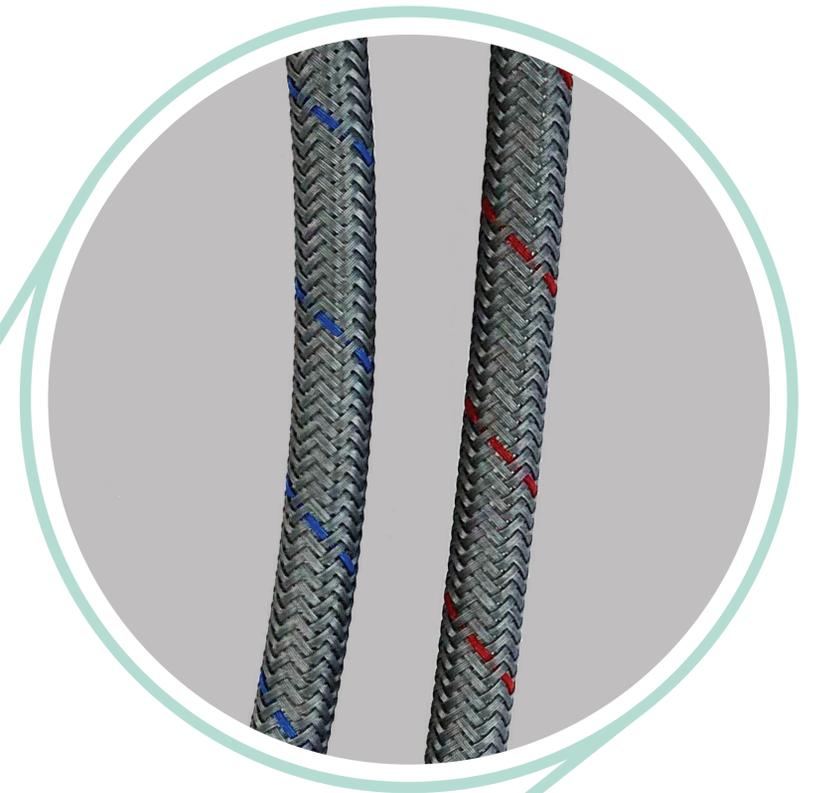

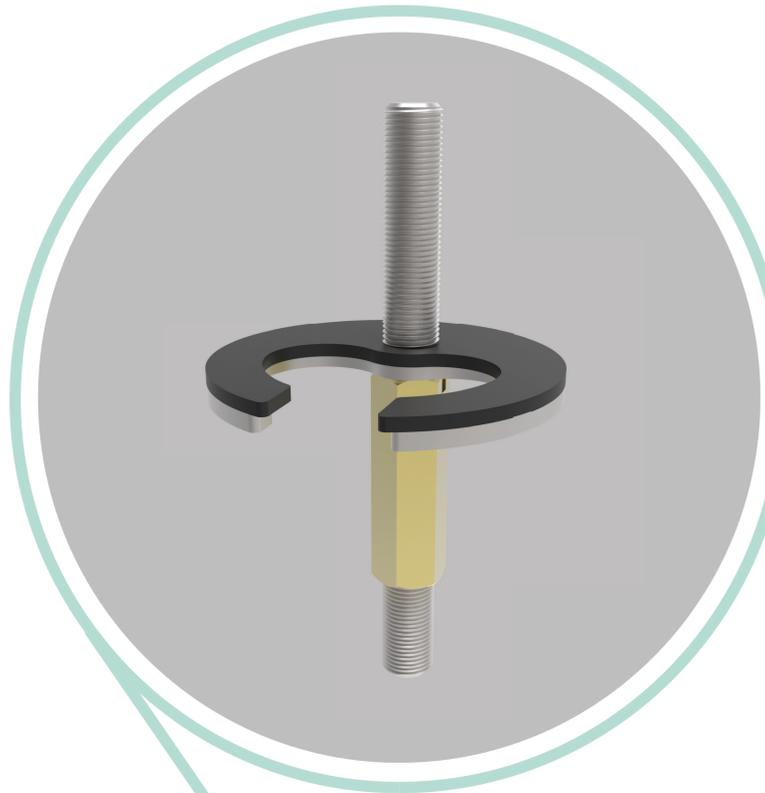

# Easy installation —

Very sturdy installation using a thick threaded rod and a special tightening tool included in the box; easy to tighten, even with minimal space behind the lavatory.
