

B46 PROFILE —

BARiL

STYLE × FUNCTION

The PROFILE Collection makes a statement with its release movement. The round and classic body culminates in a slender spout exposing a thin edge surmounted by a perfectly aligned handle, representing the very essence of the product line. All available lavatory faucets are built around a tubular body and offer three versions of controls designed to combine aesthetics and ergonomics. The PROFILE Collection answers the need for a product line combining the contemporary with a touch of innovation consumers have been waiting for.

Single hole lavatory faucet,
drain included

BARiL

STYLE × FUNCTION

Flawless finish

Multiple finishes available to give a personal touch to your faucet. Made with best technologies available

Refined design

Beautiful alignment of the handle; sharp edges and lines allowing a subtle and contemporary design, however soft thanks to its round body

Adjustable aerator

Allows adjustments in the water stream's direction by the touch of a finger

European cartridge

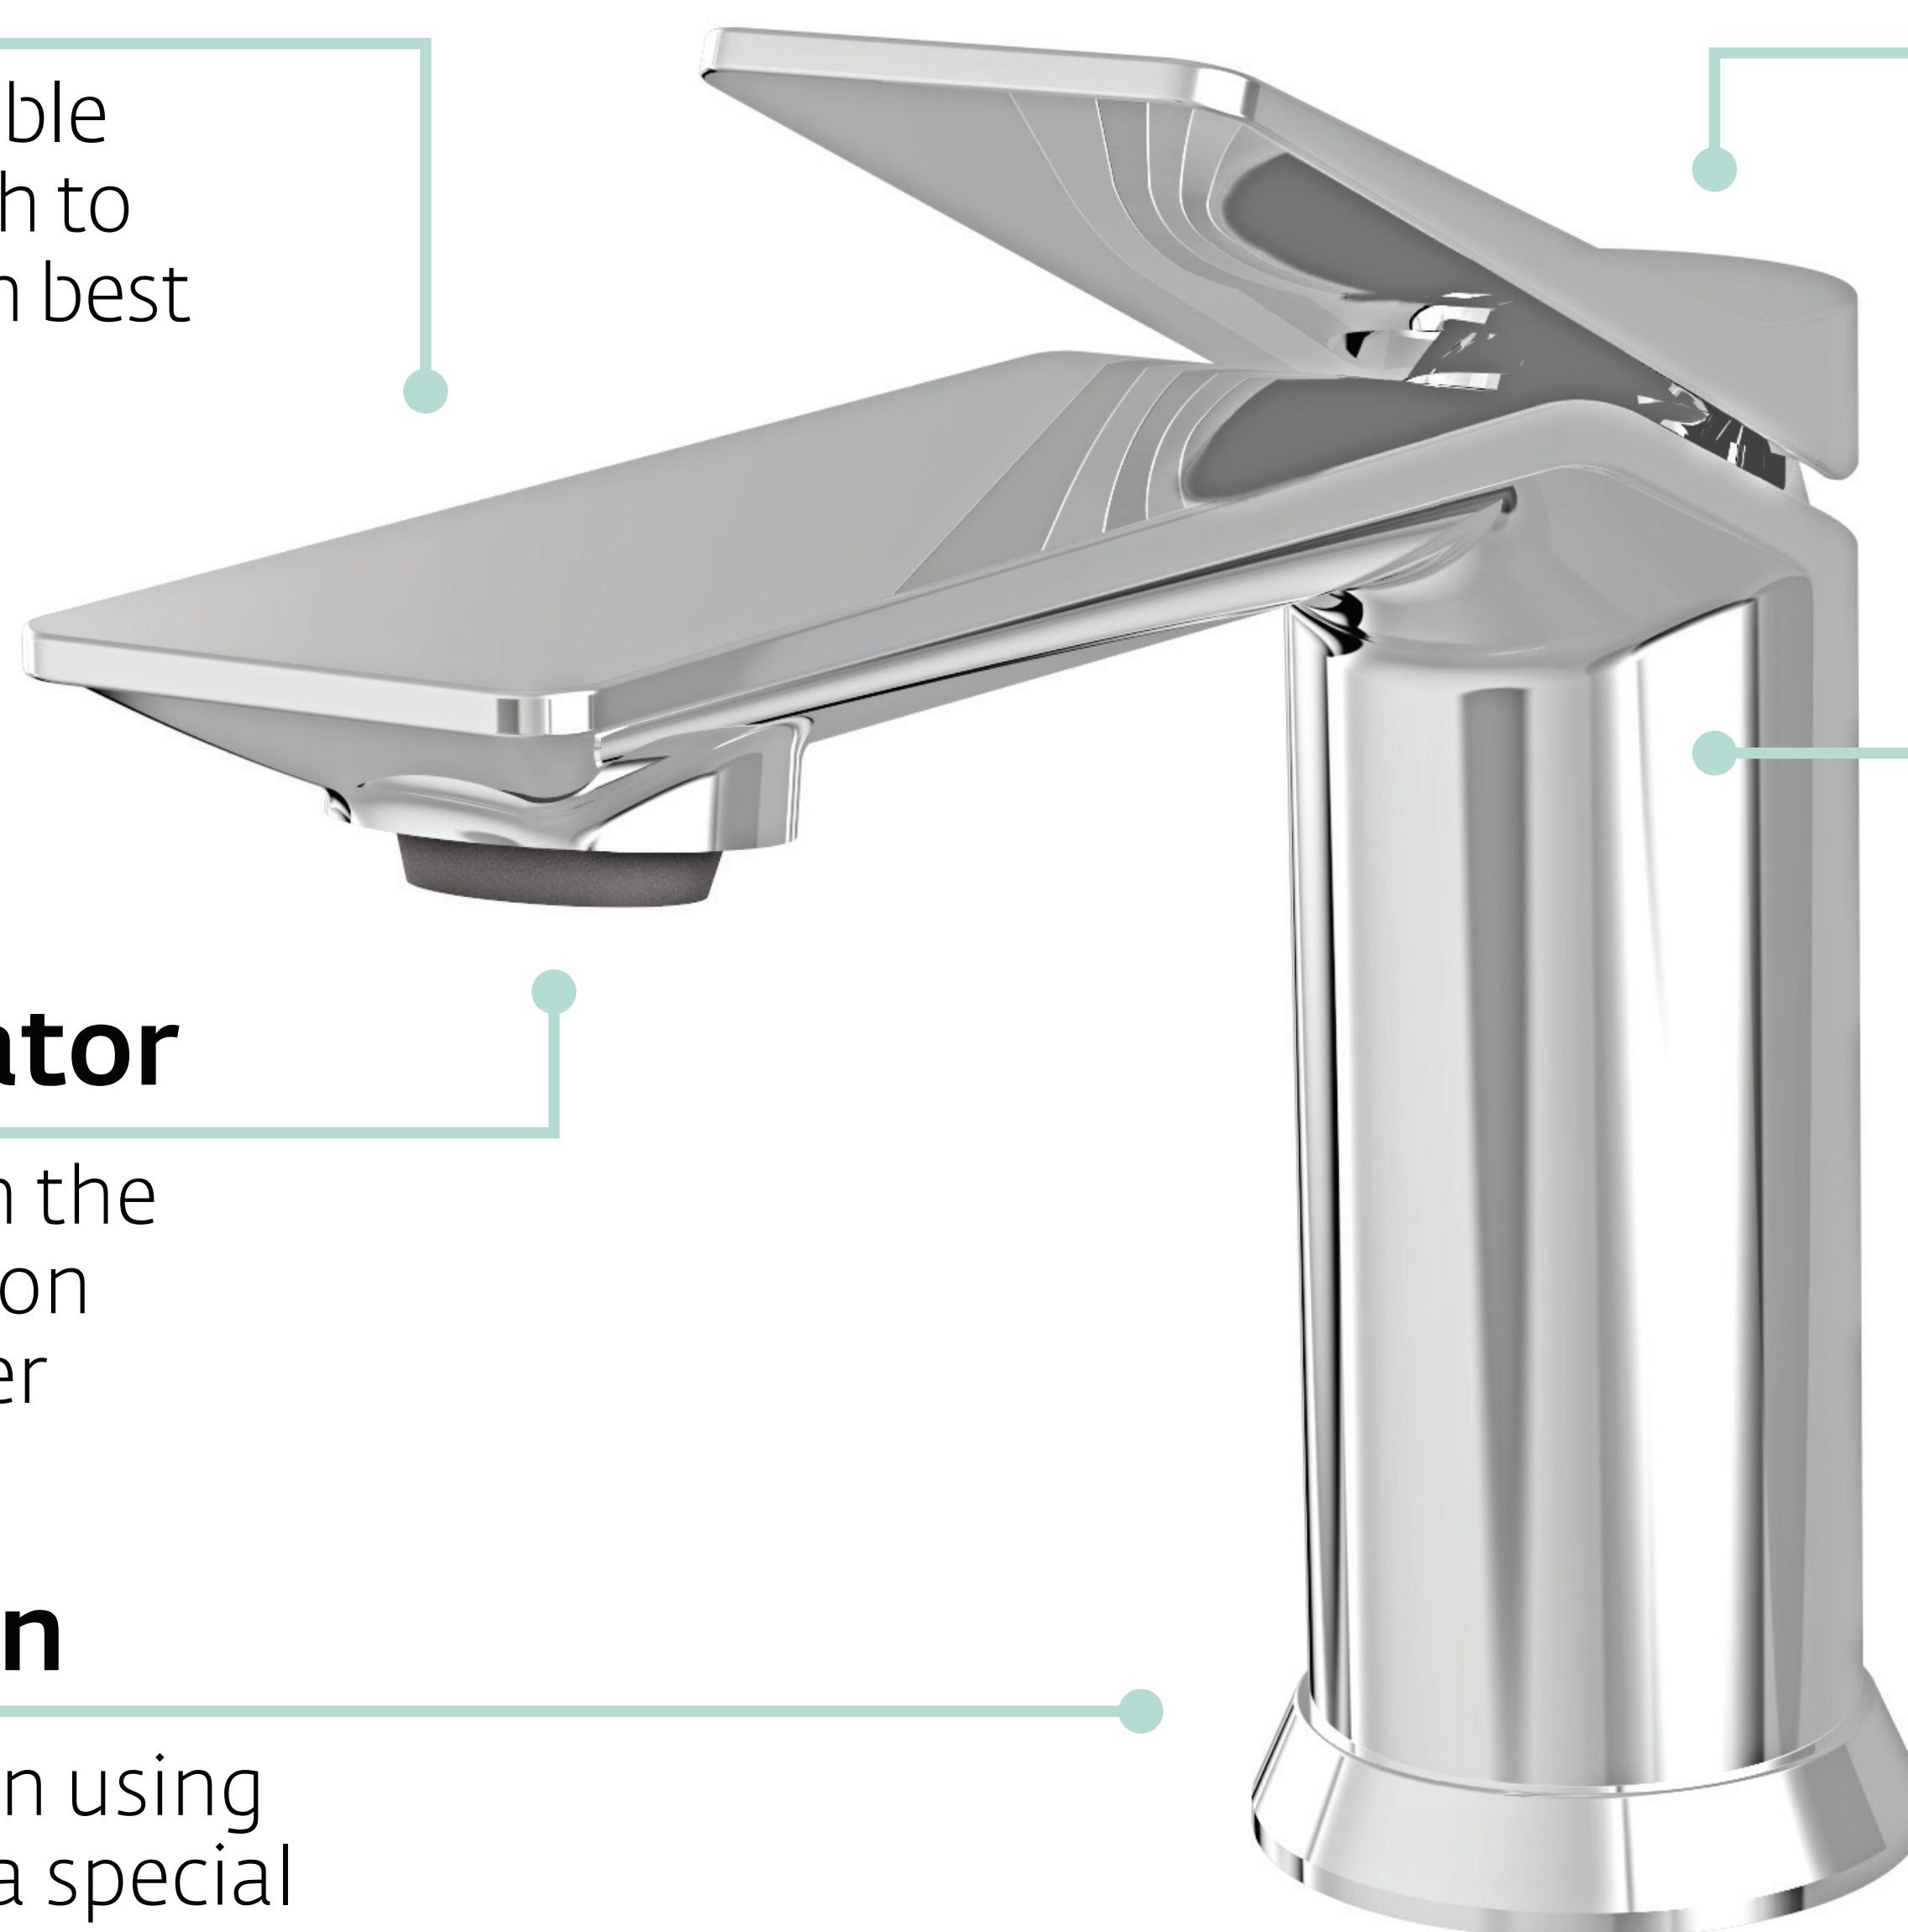

Made with high performance ceramic, this cartridge is amongst the most durable on the market

Streamlined look

BARiL uses push-button drains, therefore eliminating the need for an unsightly rod

Easy installation

Very sturdy installation using 2 threaded rods with a special tightening tool included in the box

Adjustable Aerator

BARiL
STYLE × FUNCTION

Our easy-to-clean German-made swivel aerator lets you direct the flow where you want it. Simply rub this soft silicon aerator with your finger to clean it, and continue to enjoy its perfect crystal-clear stream. No more splashing!

Ecological Options

BARiL is supporting the environment by offering options to reduce the water flow thereby economising your water usage

Attention to Detail

BARiL faucets are designed with both style and function in mind. The perfect alignment of moving parts like the handle versus the body, is only one example of our dual design thinking.

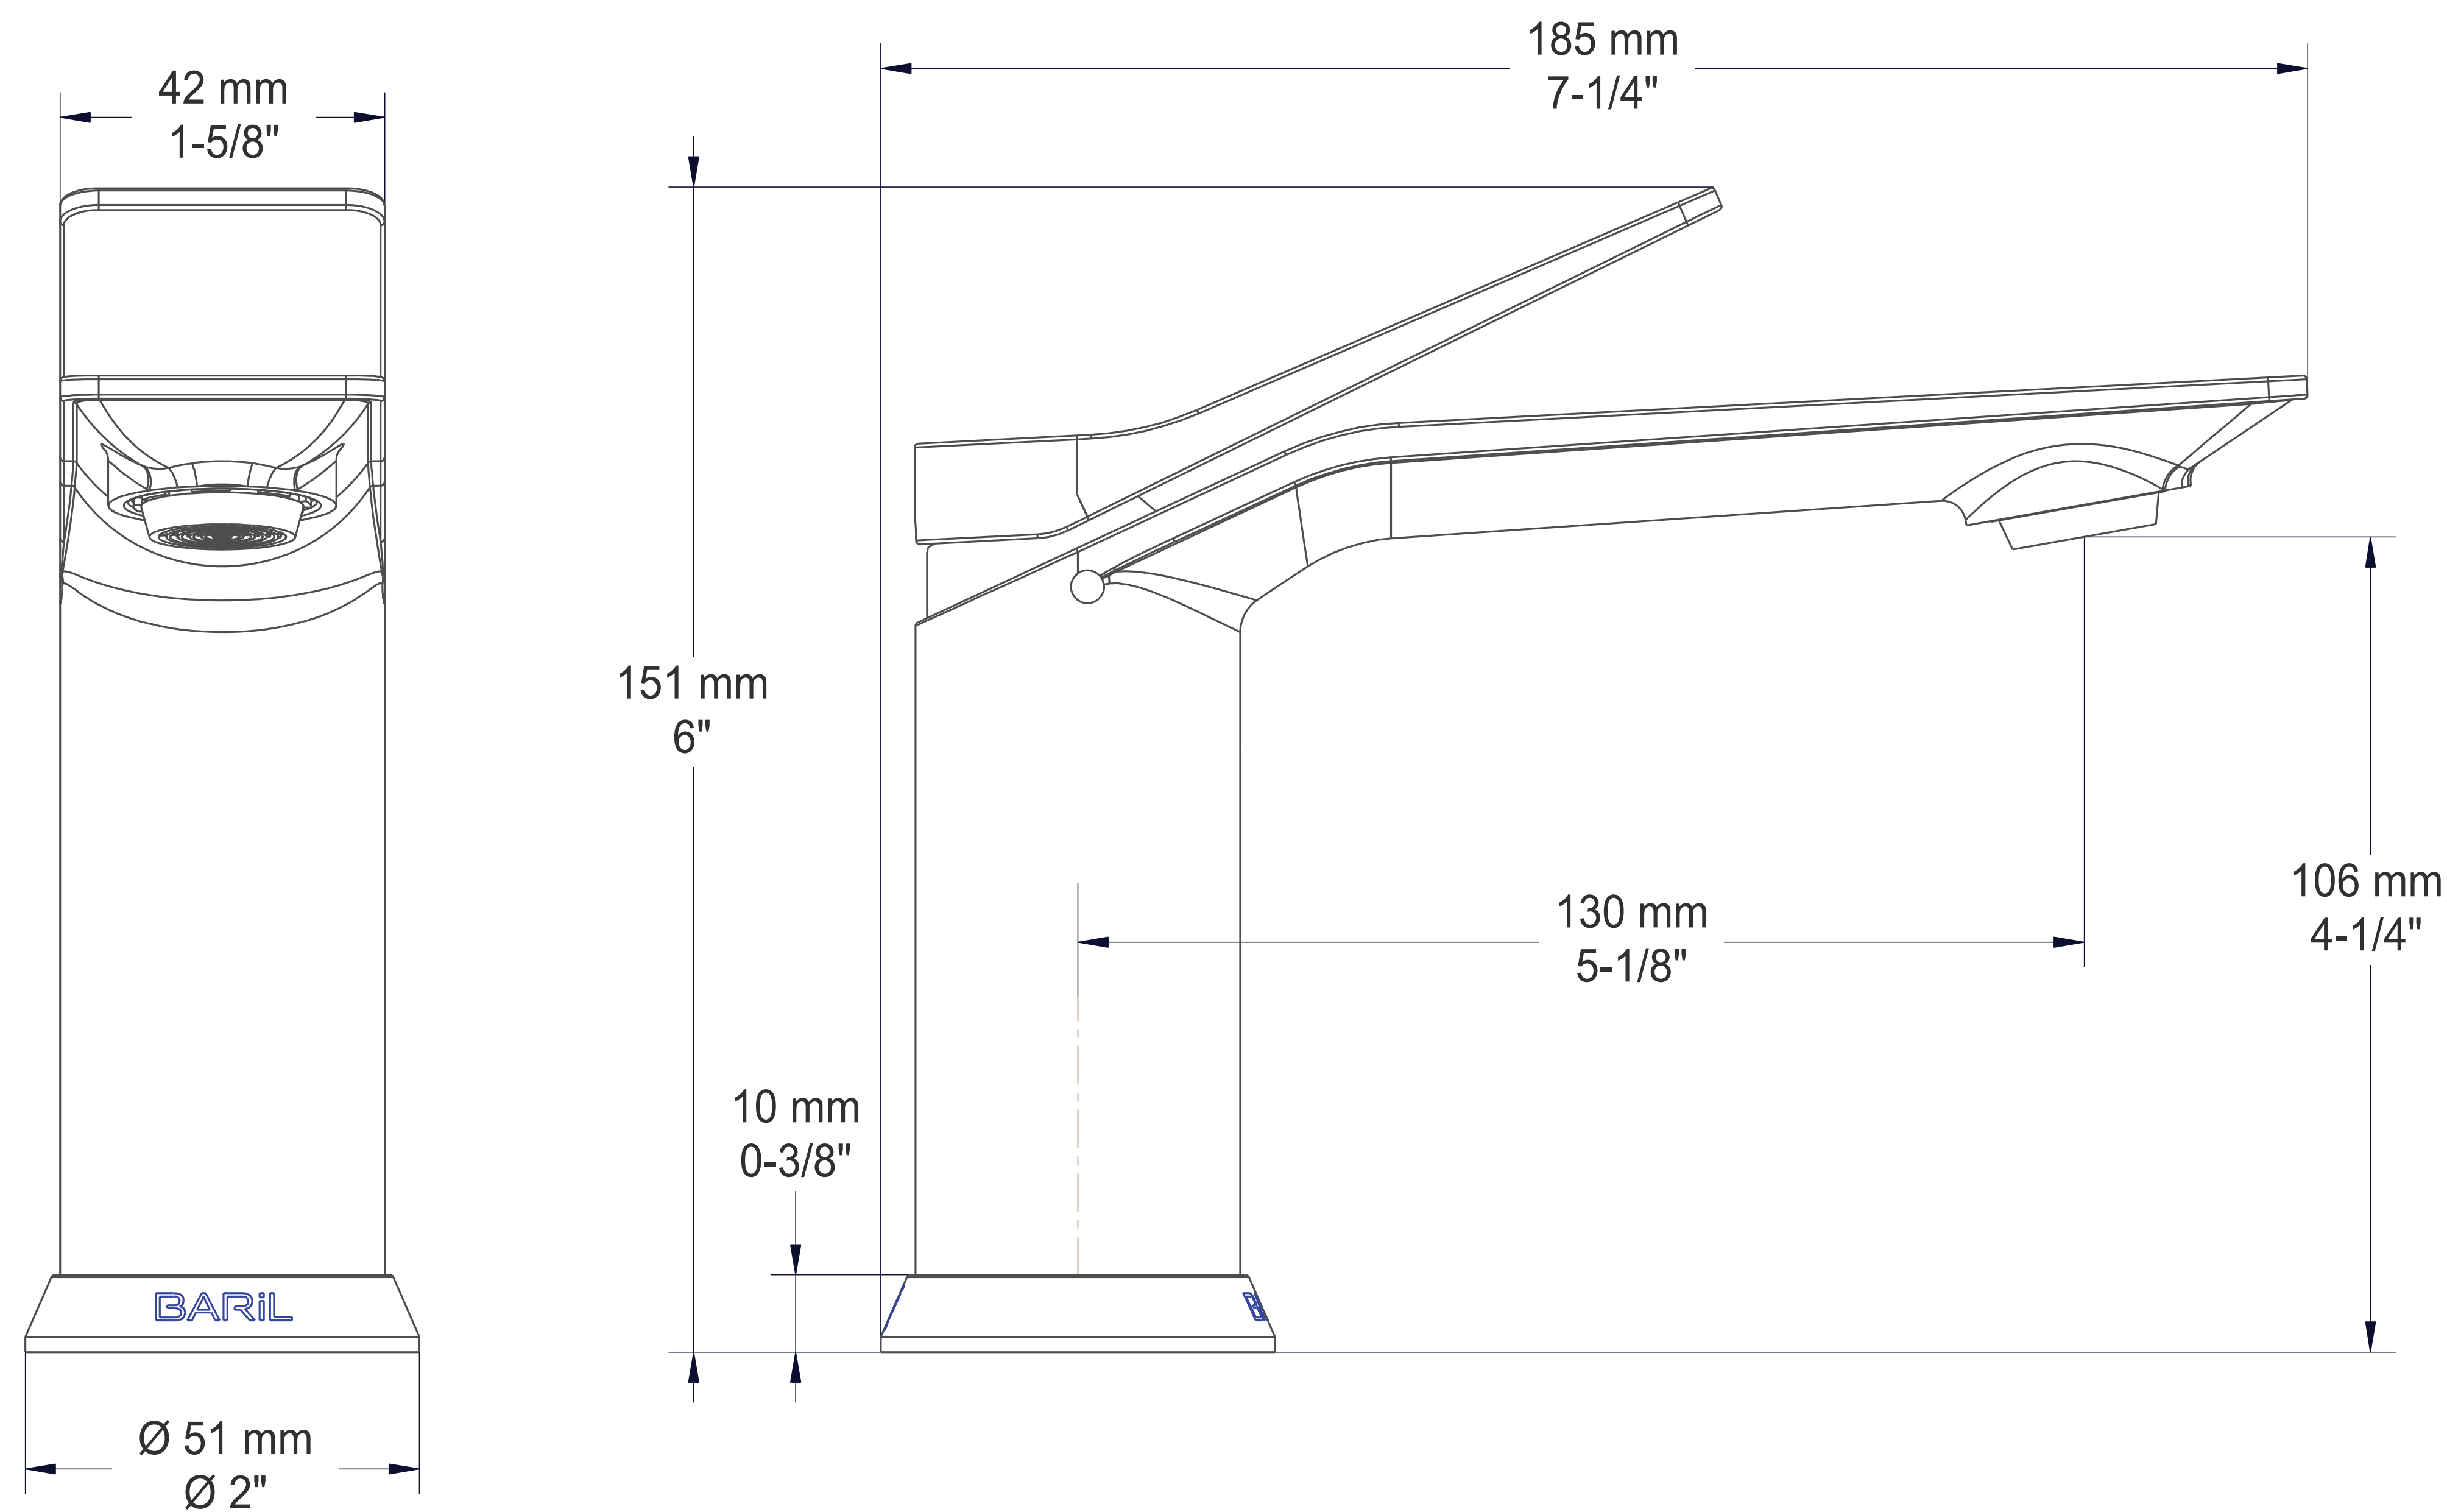

Dimensions:

Model: B46-1010-1PL-xx

Faucet height: 6"

Aerator clearance: 4-1/4"

Spout reach: 5-1/8"

Push-Button Drain

With its large cap, the BARiL push-button drain looks more elegant than regular drains. It is also quicker and easier to install since there are no unsightly rods to adjust.

BARiL
STYLE × FUNCTION

Impeccable design

The large cap covers the whole drain, giving it a high-end look.

Overflow

The included drain is one with overflow (po plug). For a drain without overflow (co plug), order B46-1010-00L-xx and REN-8403-02-xx or REN-8423-02-xx separately.

Robust tightening nut

Very sturdy installation thanks to a long and easy to tighten brass nut.

Specifications:

Model: REN-8422-02-xx

Diameter of the cap: 2-5/8"

Drain hole size: 1-3/4"

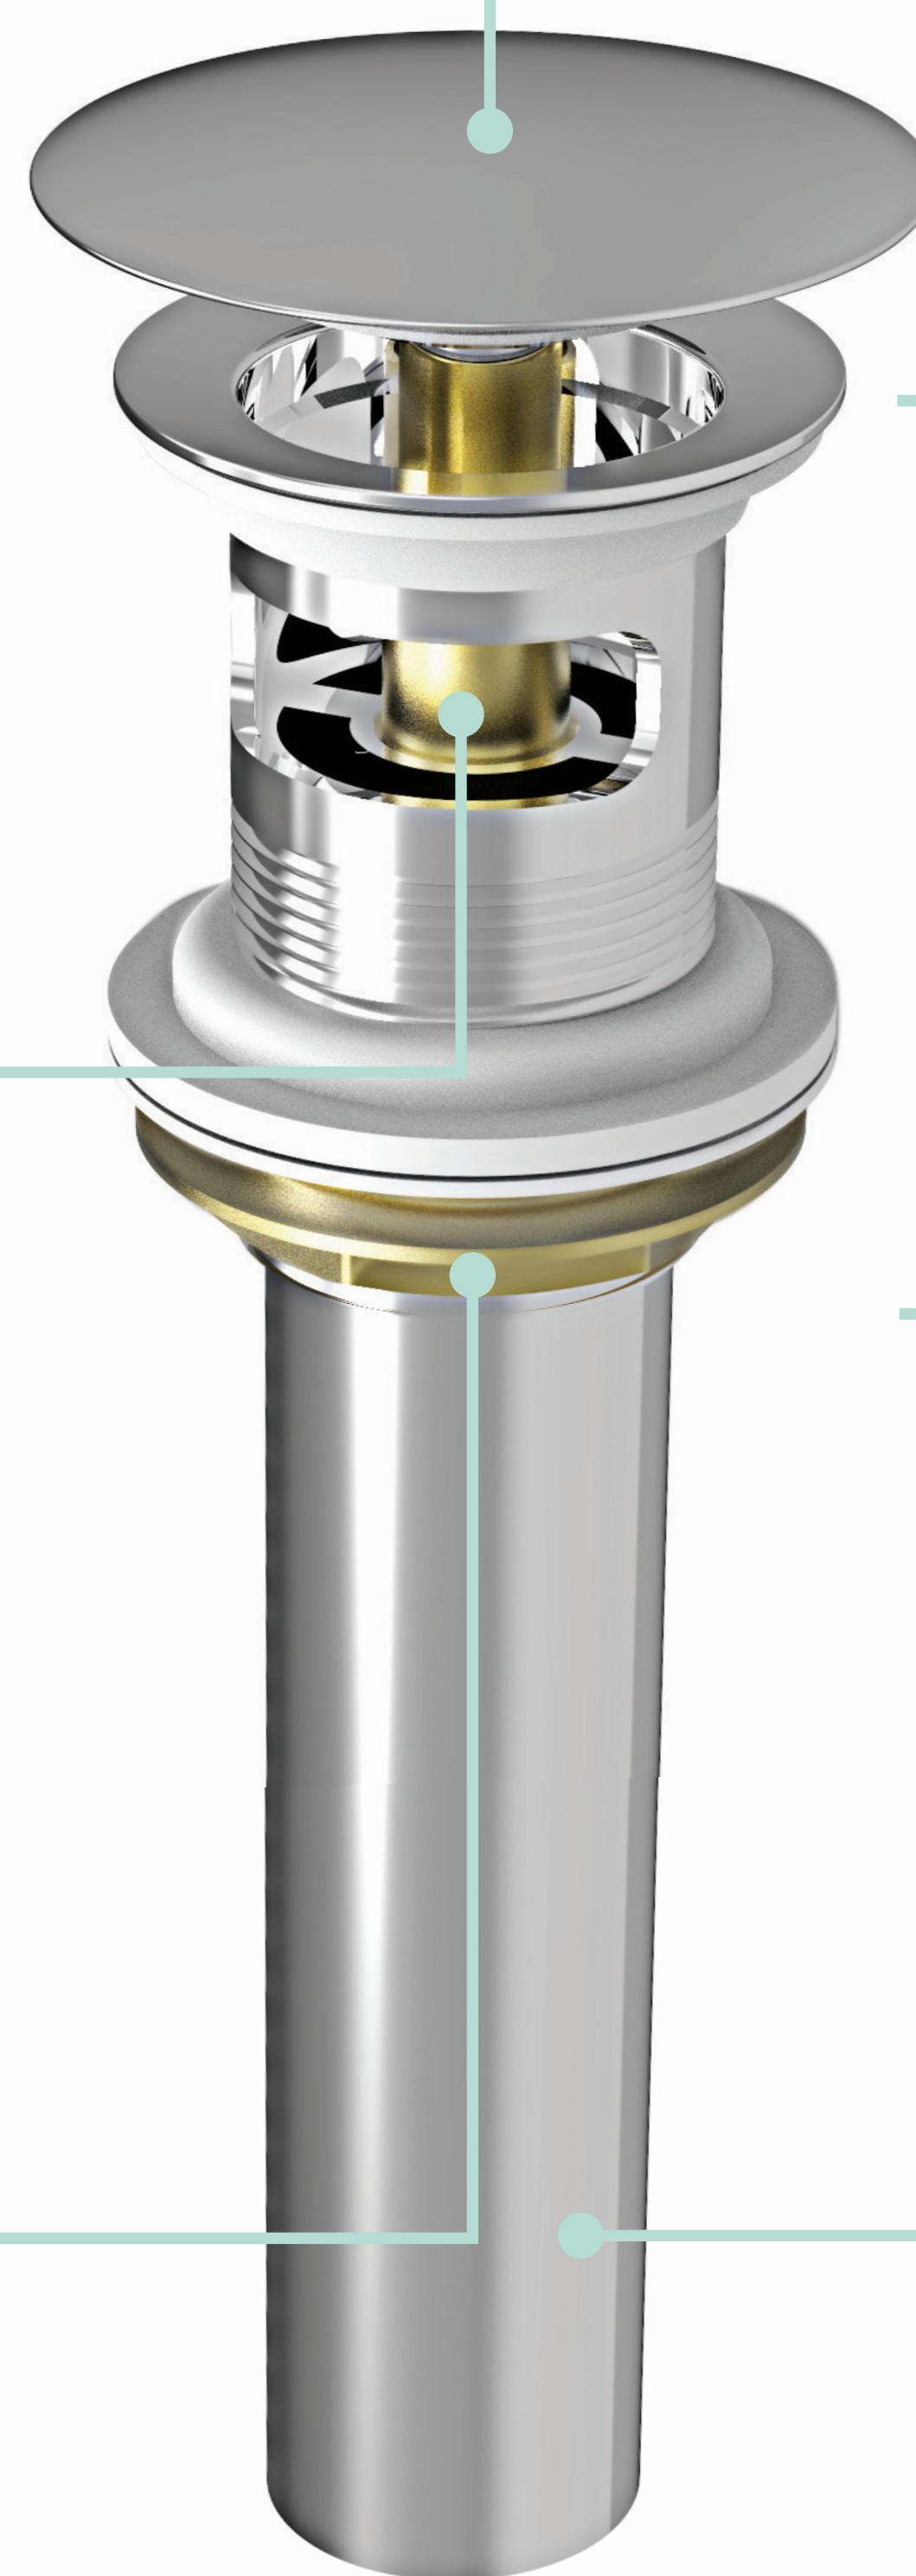

Rubber gaskets: Included

Adaptable length

The length between the metal ring and the end of the threaded pipe is 3-1/8" (80 mm), making it a fit for every sinks.

High quality material

BARiL drains last longer because they are made of solid brass thicker than average.

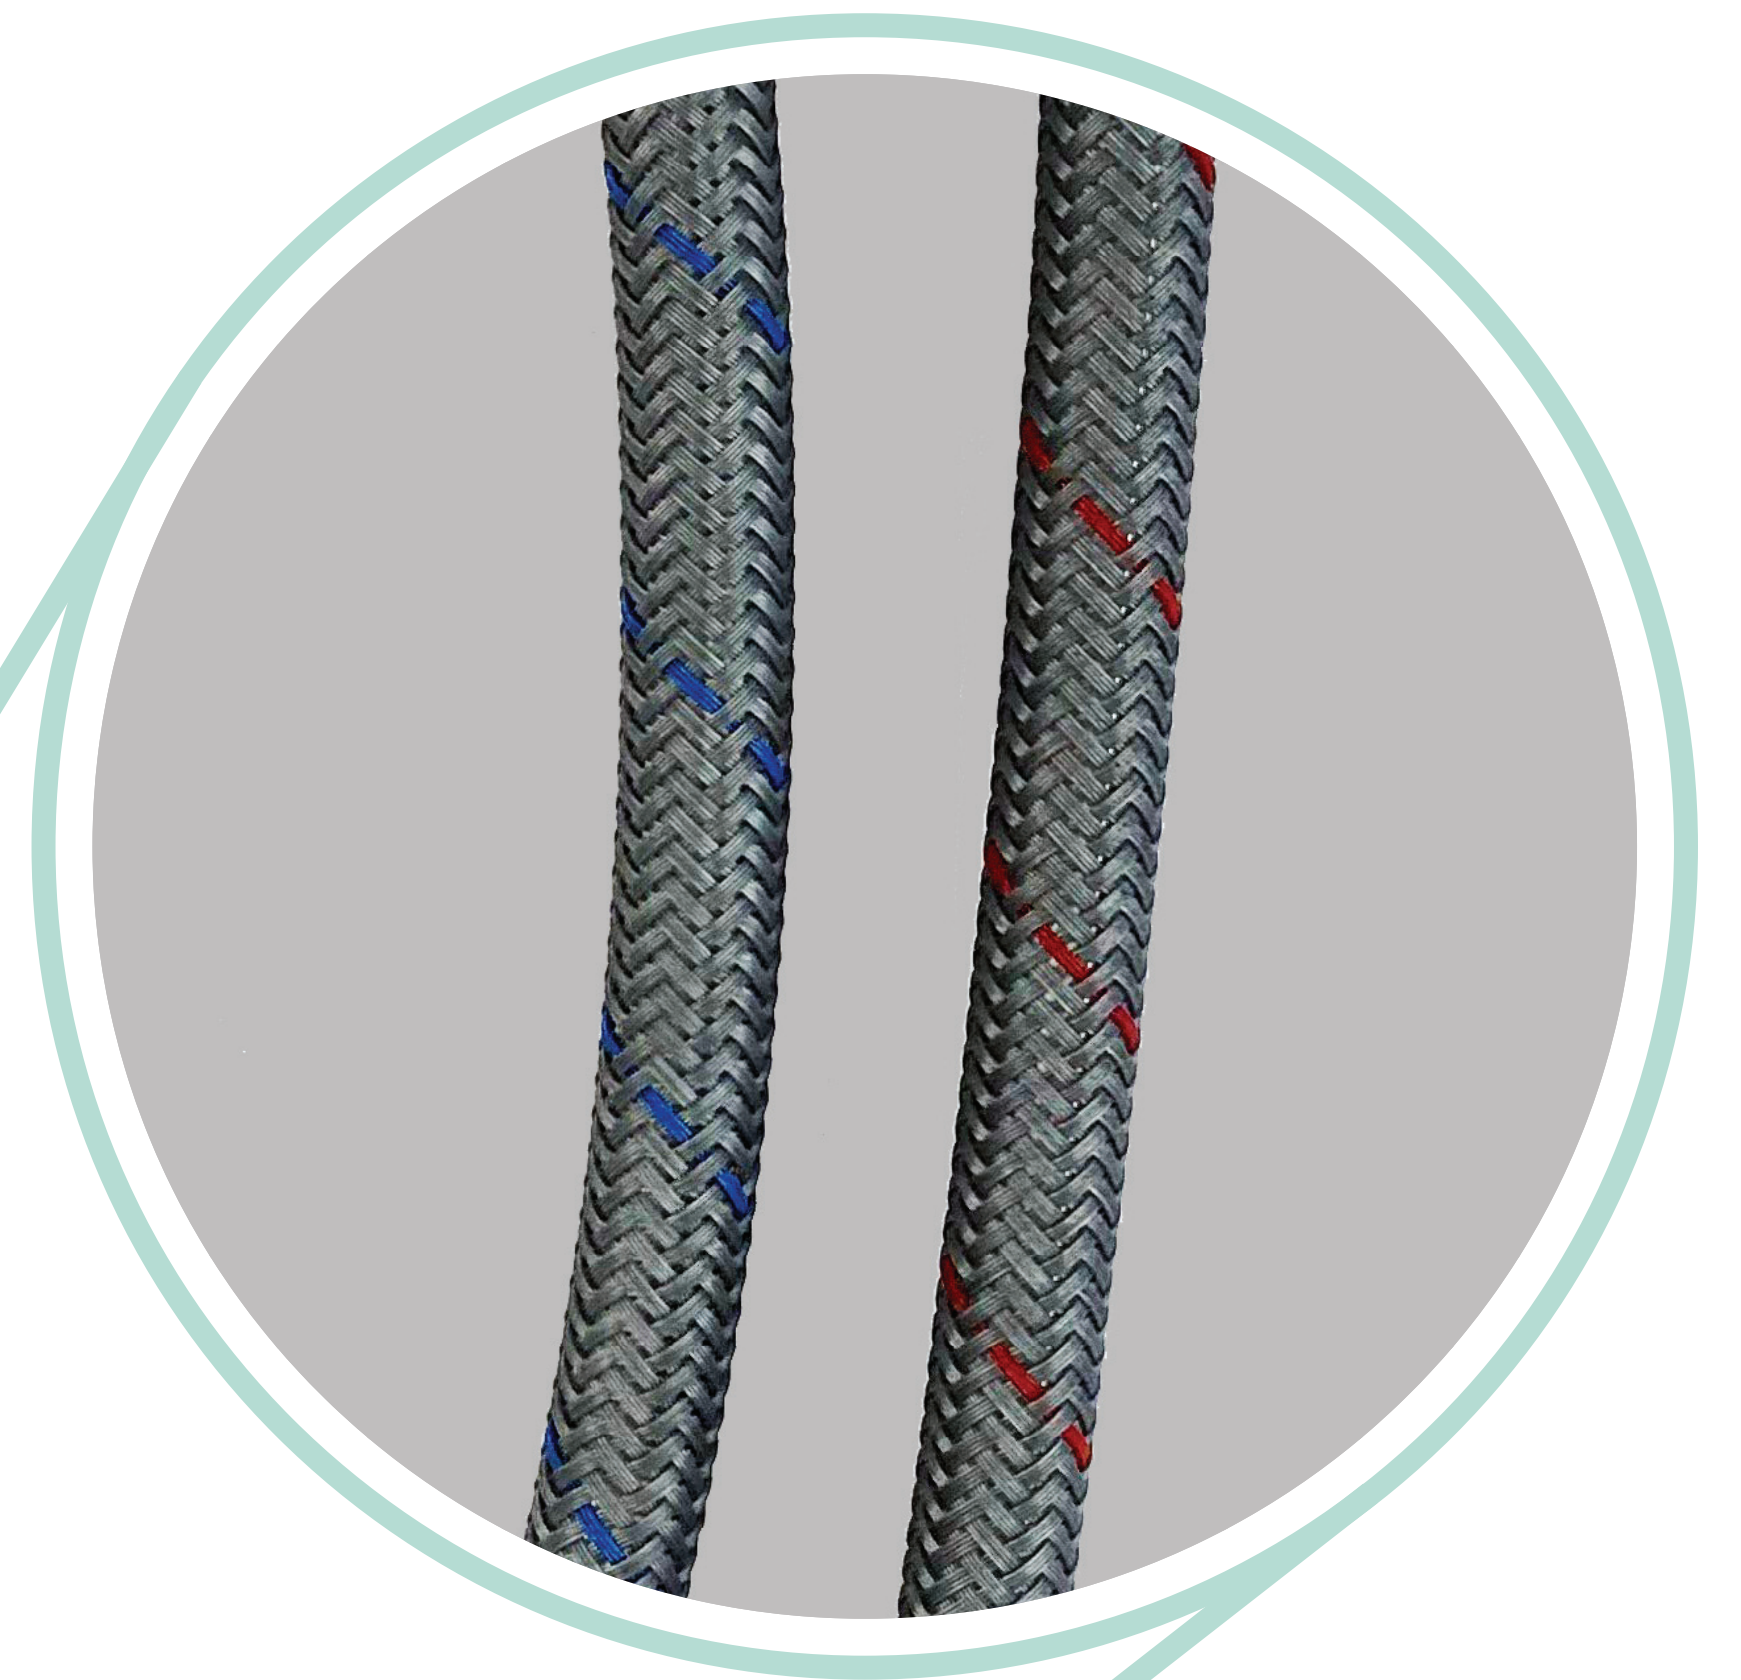

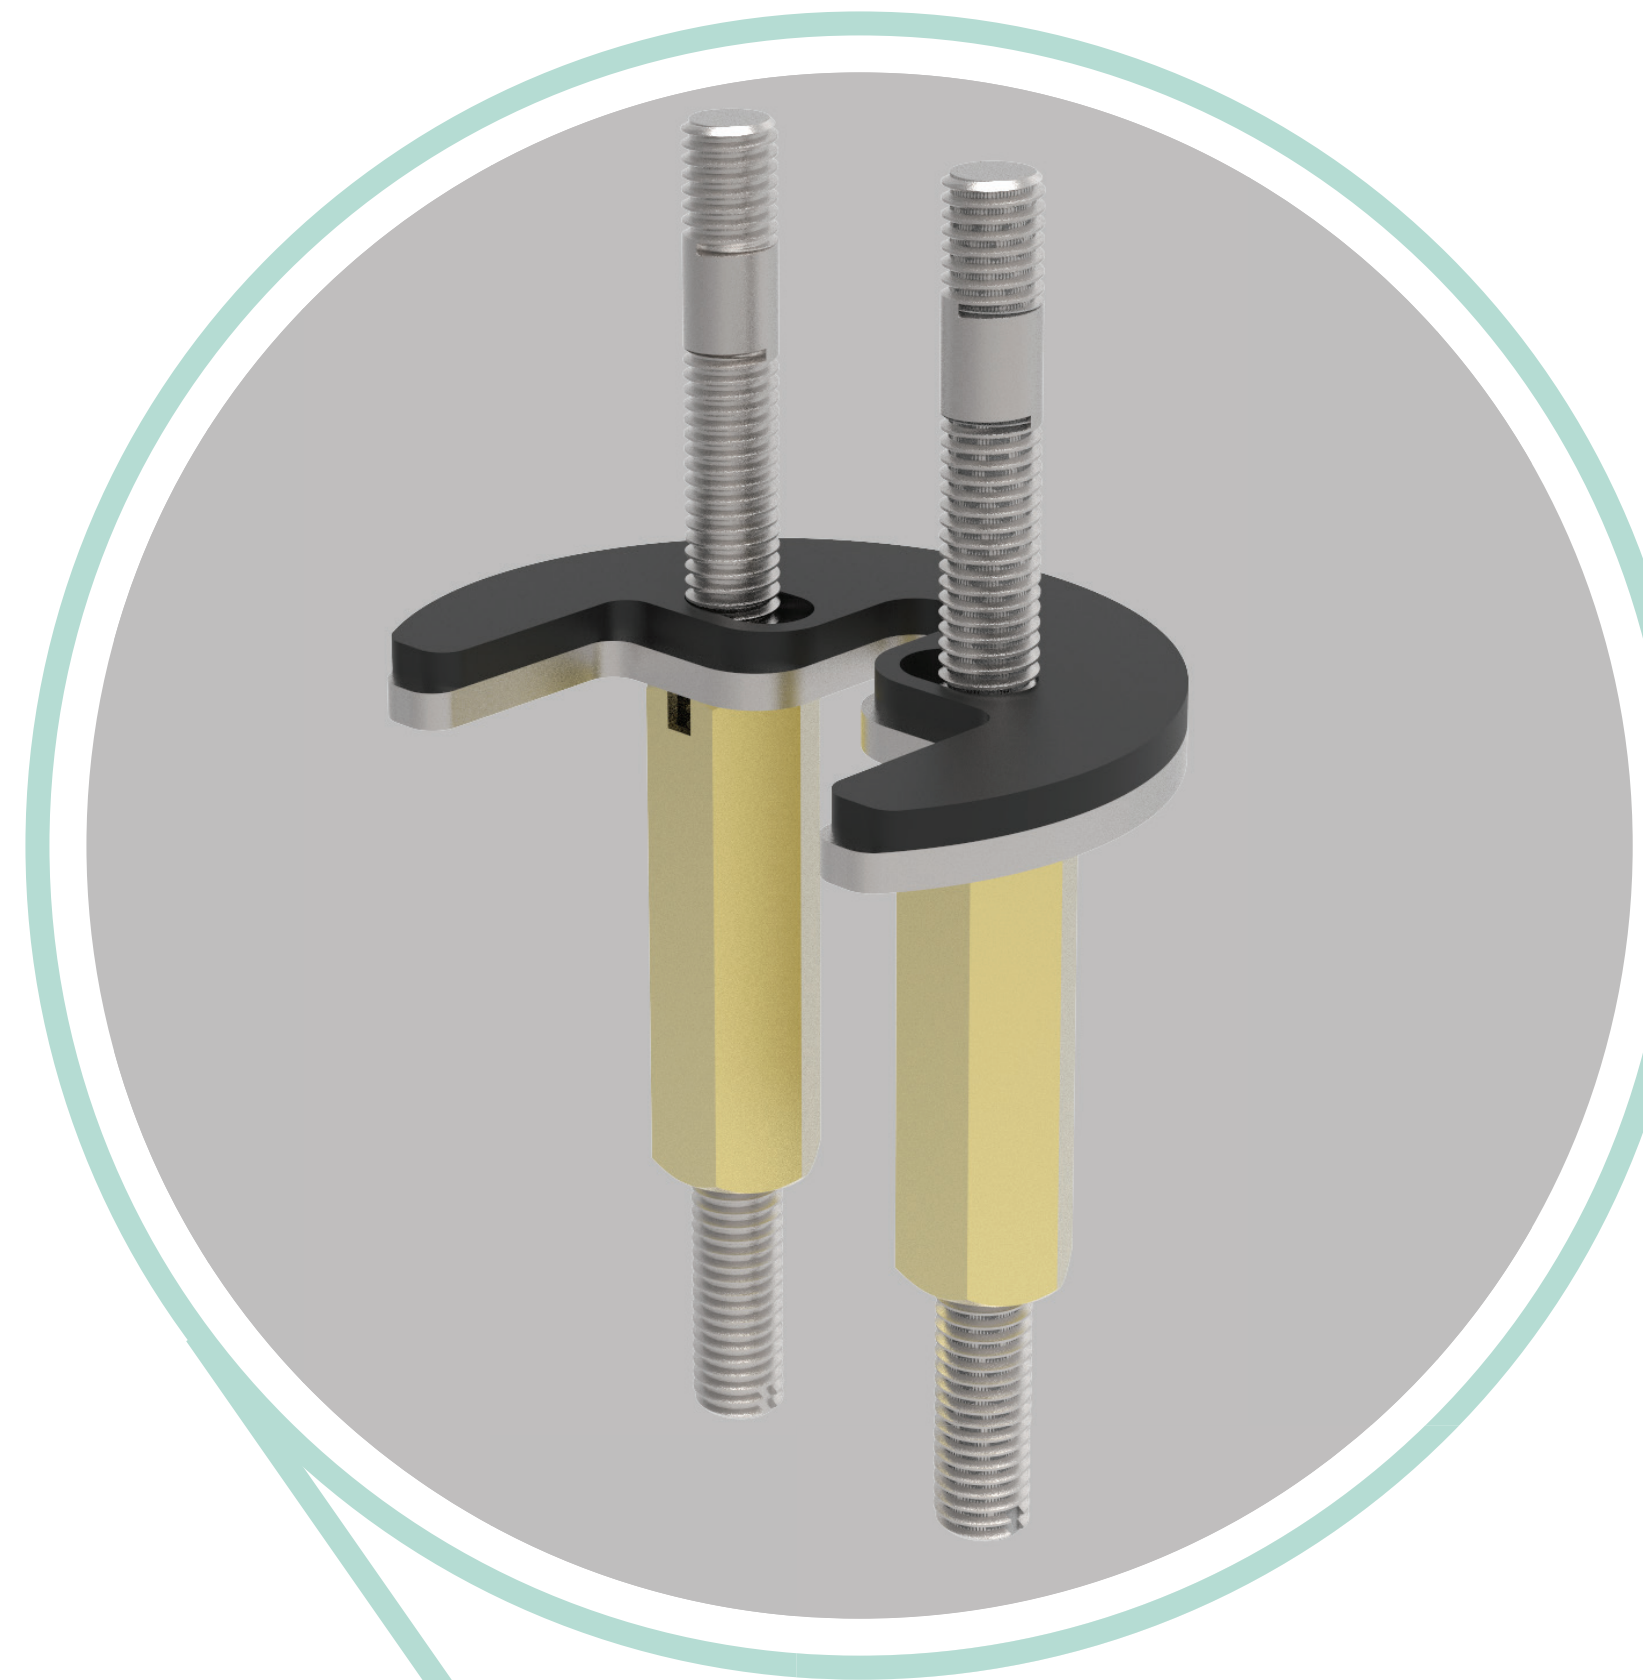

Easy installation —

Very sturdy installation using two threaded rods and a special tightening tool included in the box; easy to tighten, even with minimal space behind the lavatory.
