

# B51 MA —

# BARiL

STYLE × FUNCTION

The design of the **MA** Collection rests on **M**astery of **A**rchitectural artistry. In a pure architectural spirit, this collection offers well balanced lines and perfect proportions. It combines esthetism and an outstanding comfort of use. Just like all our Design collections, this MA Collection is offered in smokey chrome finish besides chrome: this CF finish features a chrome finish with anthracite accents. These details give a nice contrast between the smooth chrome surface that reflects the light, and the matte anthracite surfaces that absorb the light.

Single hole lavatory faucet,  
drain included

# BARiL

STYLE × FUNCTION

## Flawless finish

Two finishes available to give a personal touch to your faucet. Made with best technologies available

## Refined design

Beautiful curved spout paired with a round body. The juxtaposition of straight and curved lines is dramatic yet simple

## Waterfall aerator

Relaxing and soft to the touch water stream, with no splashing

## High performance cartridge

Made with high performance ceramic, this progressive coaxial cartridge allows easy control of water temperature, while preserving a clean look

## Easy installation

Very sturdy installation using 2 threaded rods with a special tightening tool included in the box

## Quality material

Forged of solid brass of a thickness above standards, BARiL faucets are very durable

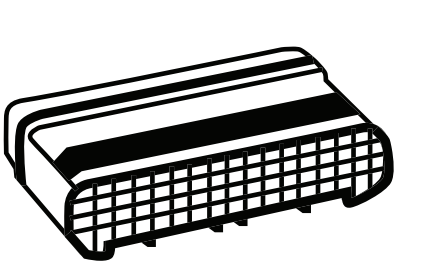

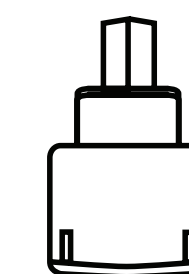

Smokey Chrome (CF)

GPM FLOW RATE

BARiL equals quality

Uses 30% less water

Ecological options available

Durable ceramic cartridge

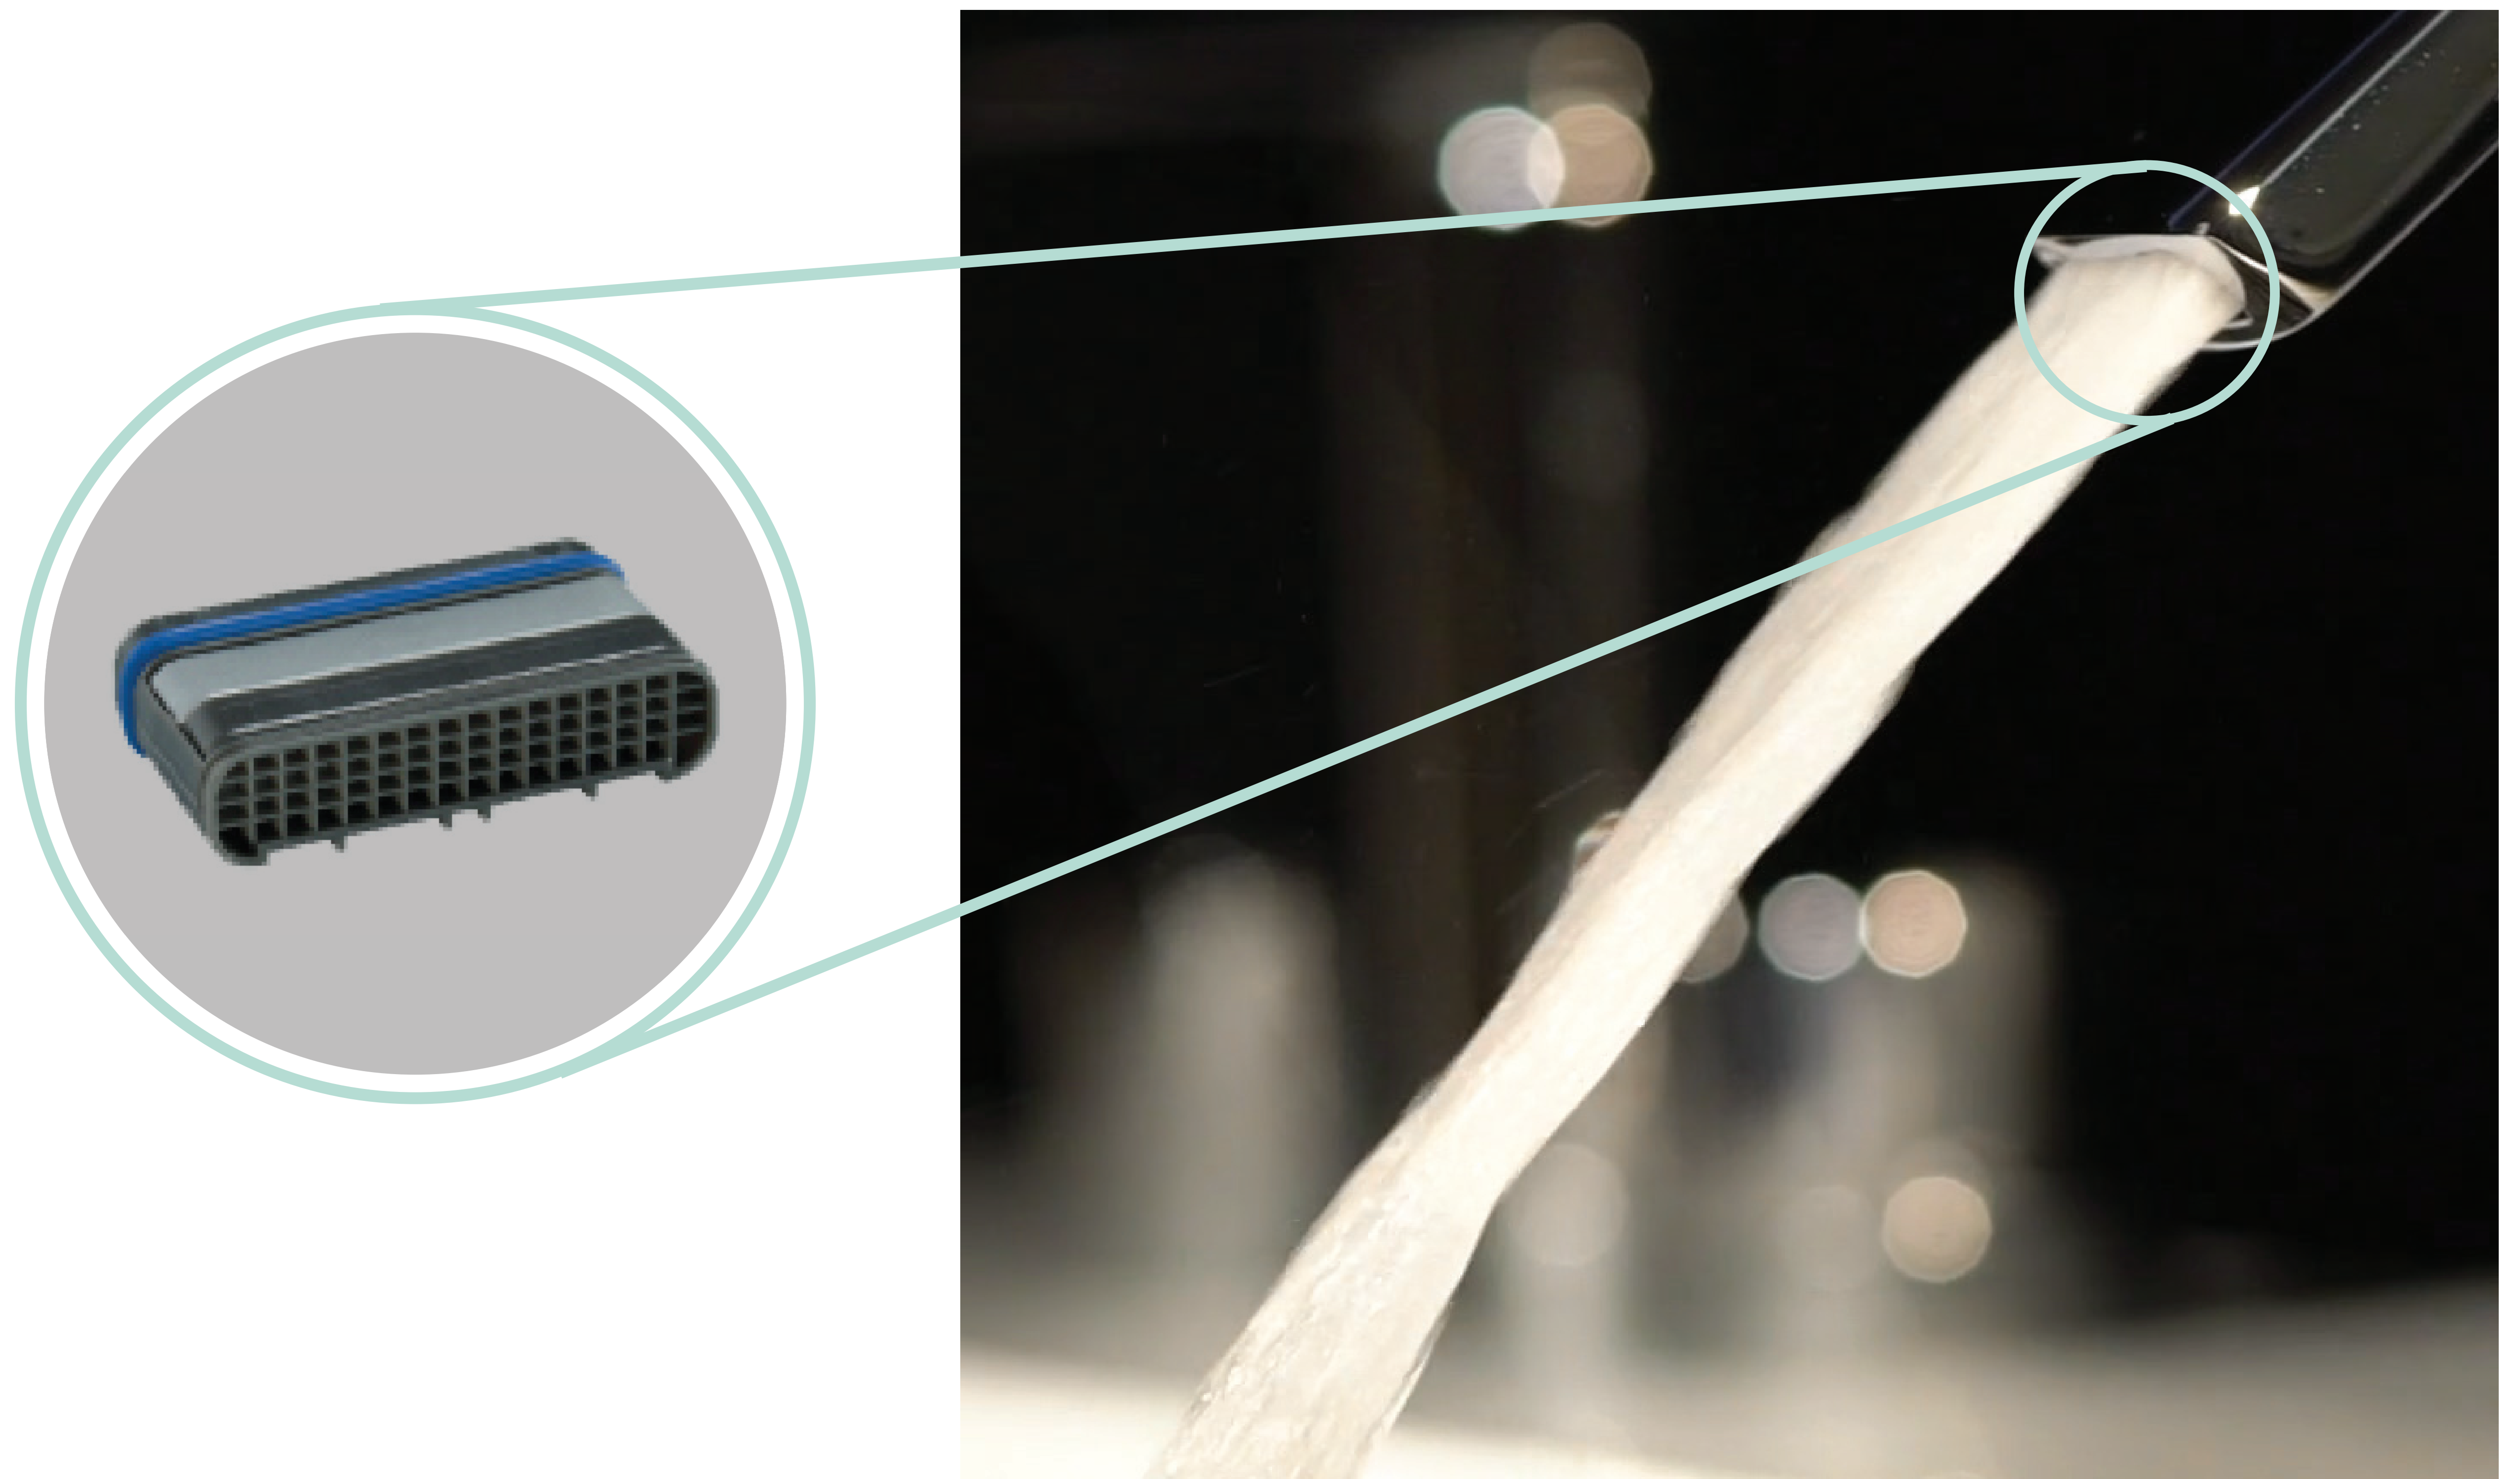

Ensures the perfect stream

# Waterfall Aerator

Our German-made aerator provides a relaxing and soft to the touch water stream, with no splashing.

# BARiL

STYLE × FUNCTION

## Ecological Options

BARiL is supporting the environment by offering options to reduce the water flow thereby economising your water usage

# Attention to Detail

BARiL faucets are designed with both style and function in mind. The coaxial handle that makes it perfectly integrated in the faucet's cylindrical body, is only one example of our dual design thinking.

# BARiL

STYLE × FUNCTION

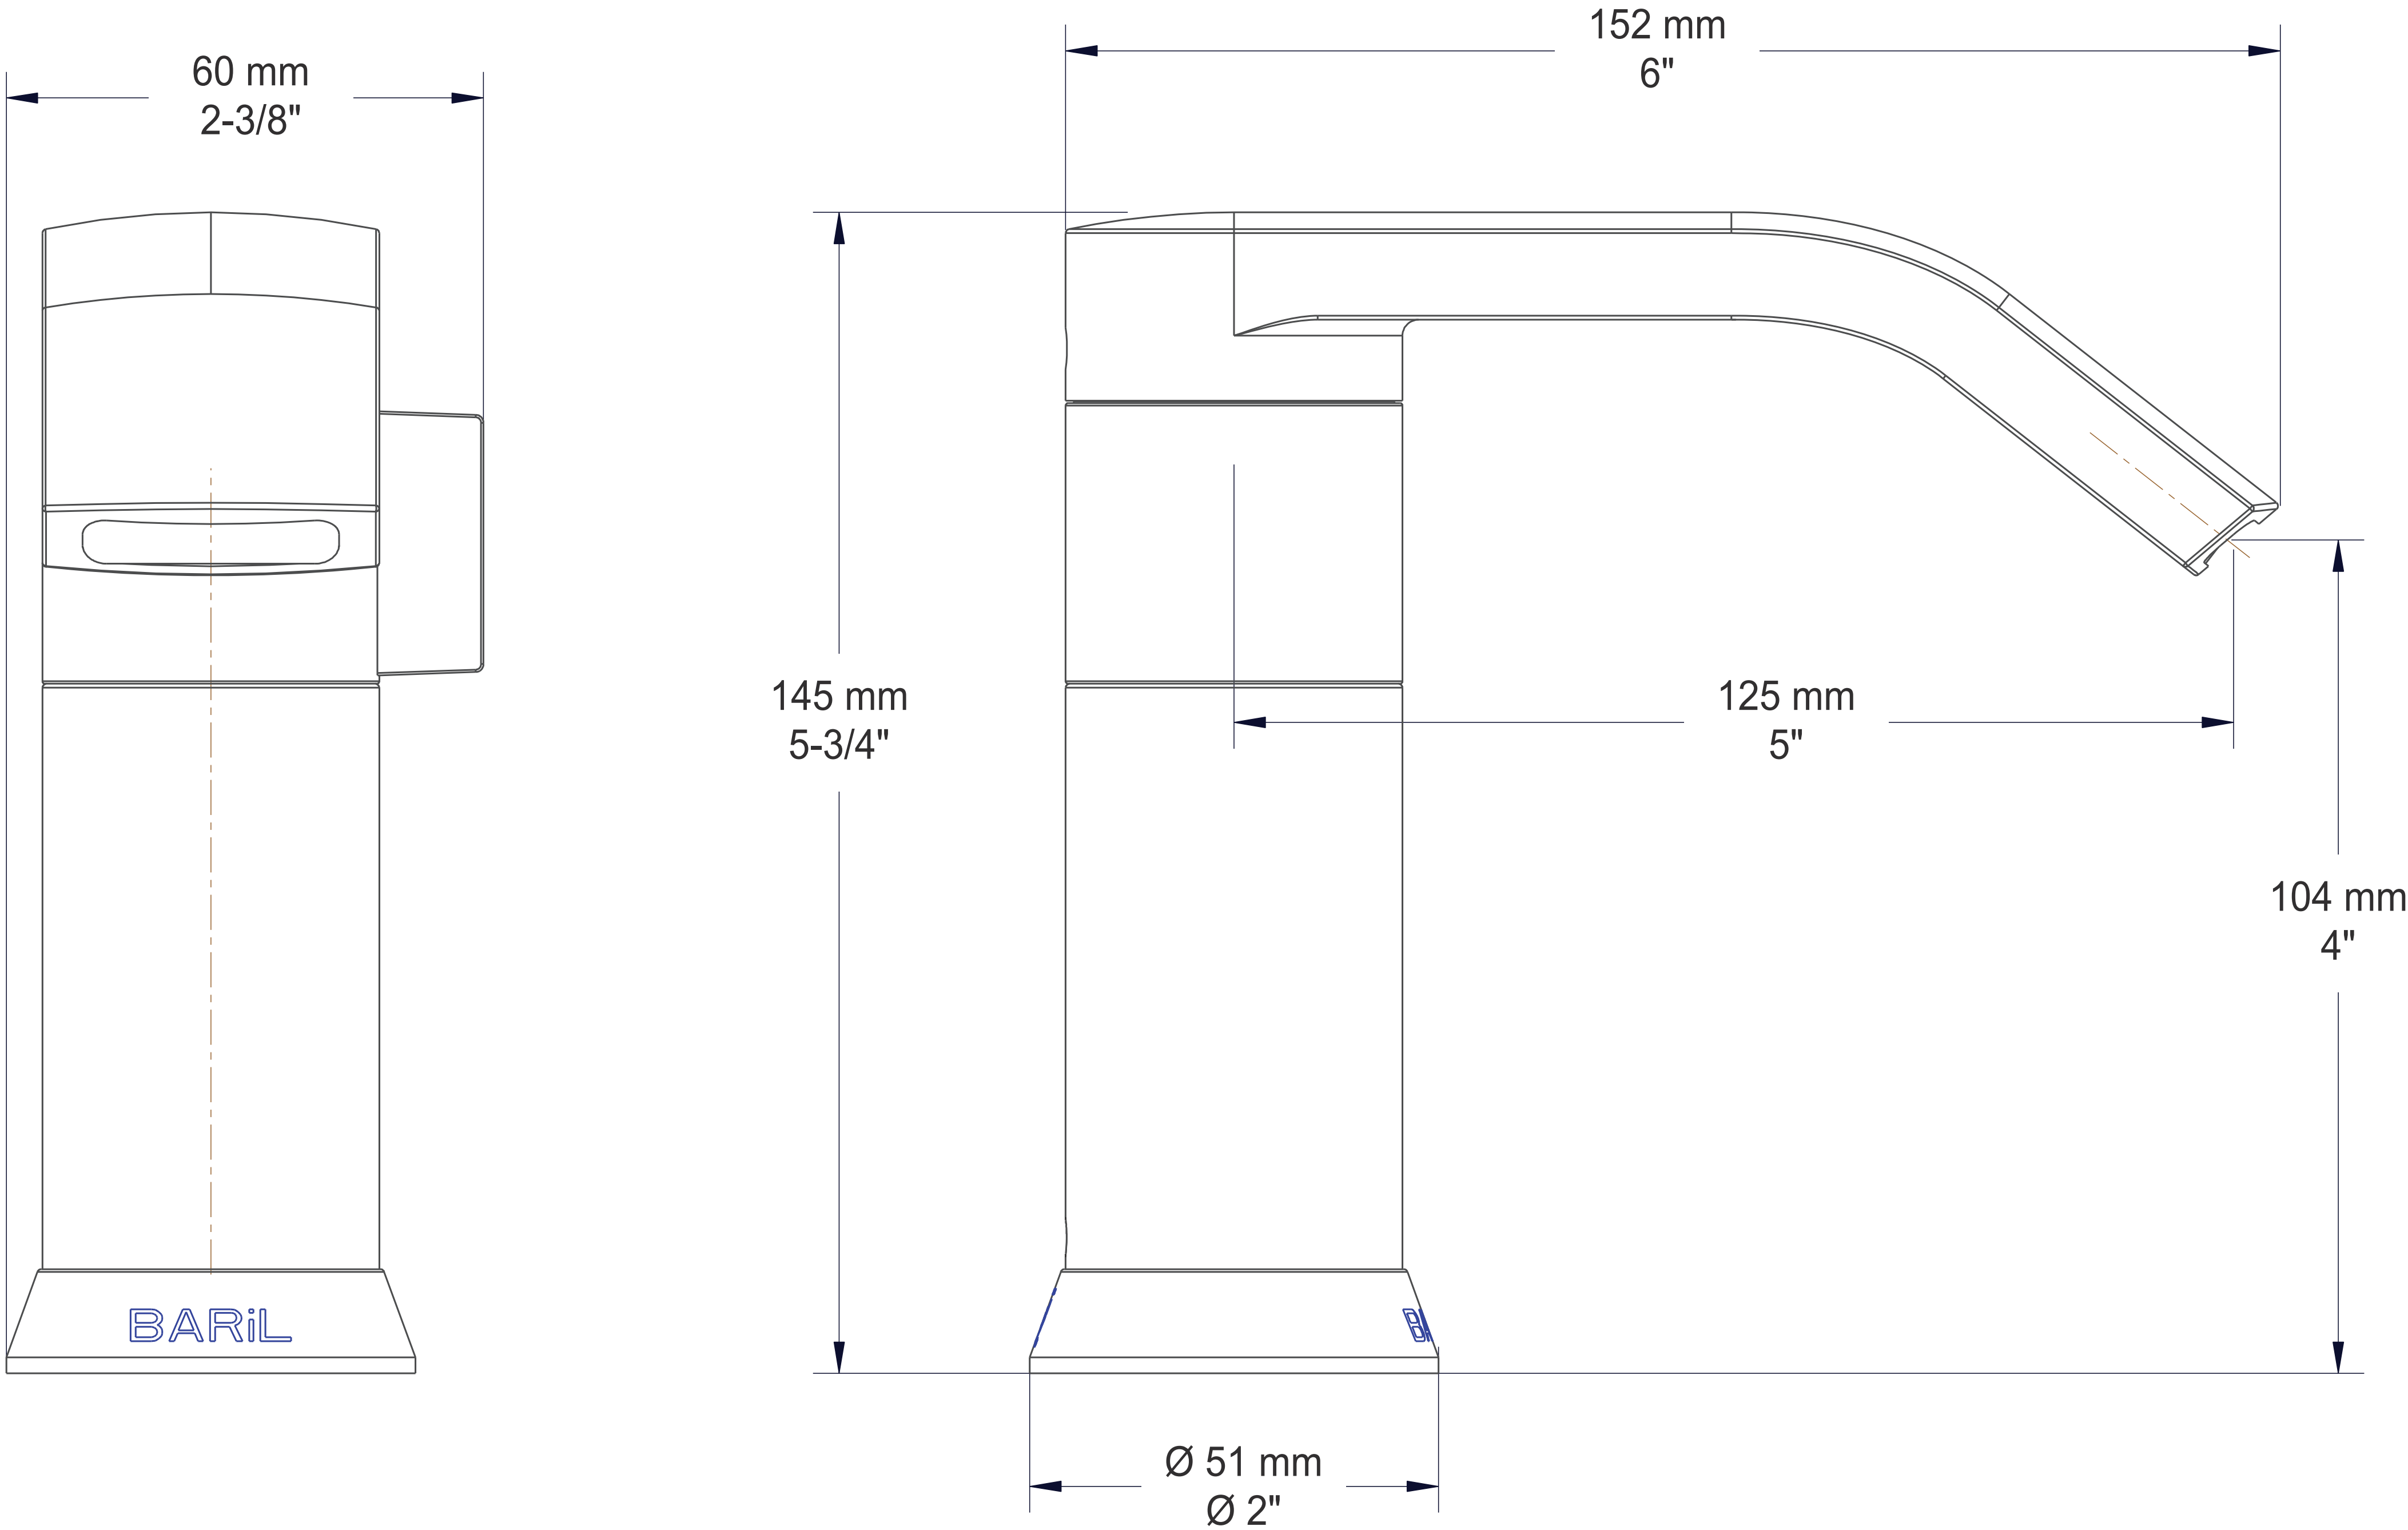

## Dimensions:

Model: B51-1010-1PL-xx

Faucet height: 5-3/4"

Aerator clearance: 4"

Spout reach: 5"

# Push-Button Drain

# BARiL

STYLE × FUNCTION

With its large cap, the BARiL push-button drain looks more elegant than regular drains. It is also quicker and easier to install since there are no unsightly rods to adjust.

## Impeccable design

The large cap covers the whole drain, giving it a high-end look.

## Overflow

The included drain is one with overflow (po plug). For a drain without overflow (co plug), order B51-1010-00L-xx and REN-8403-02-xx or REN-8423-02-xx separately.

## Robust tightening nut

Very sturdy installation thanks to a long and easy to tighten brass nut.

## Specifications:

Model: REN-8422-02-xx

Diameter of the cap: 2-5/8"

Drain hole size: 1-3/4"

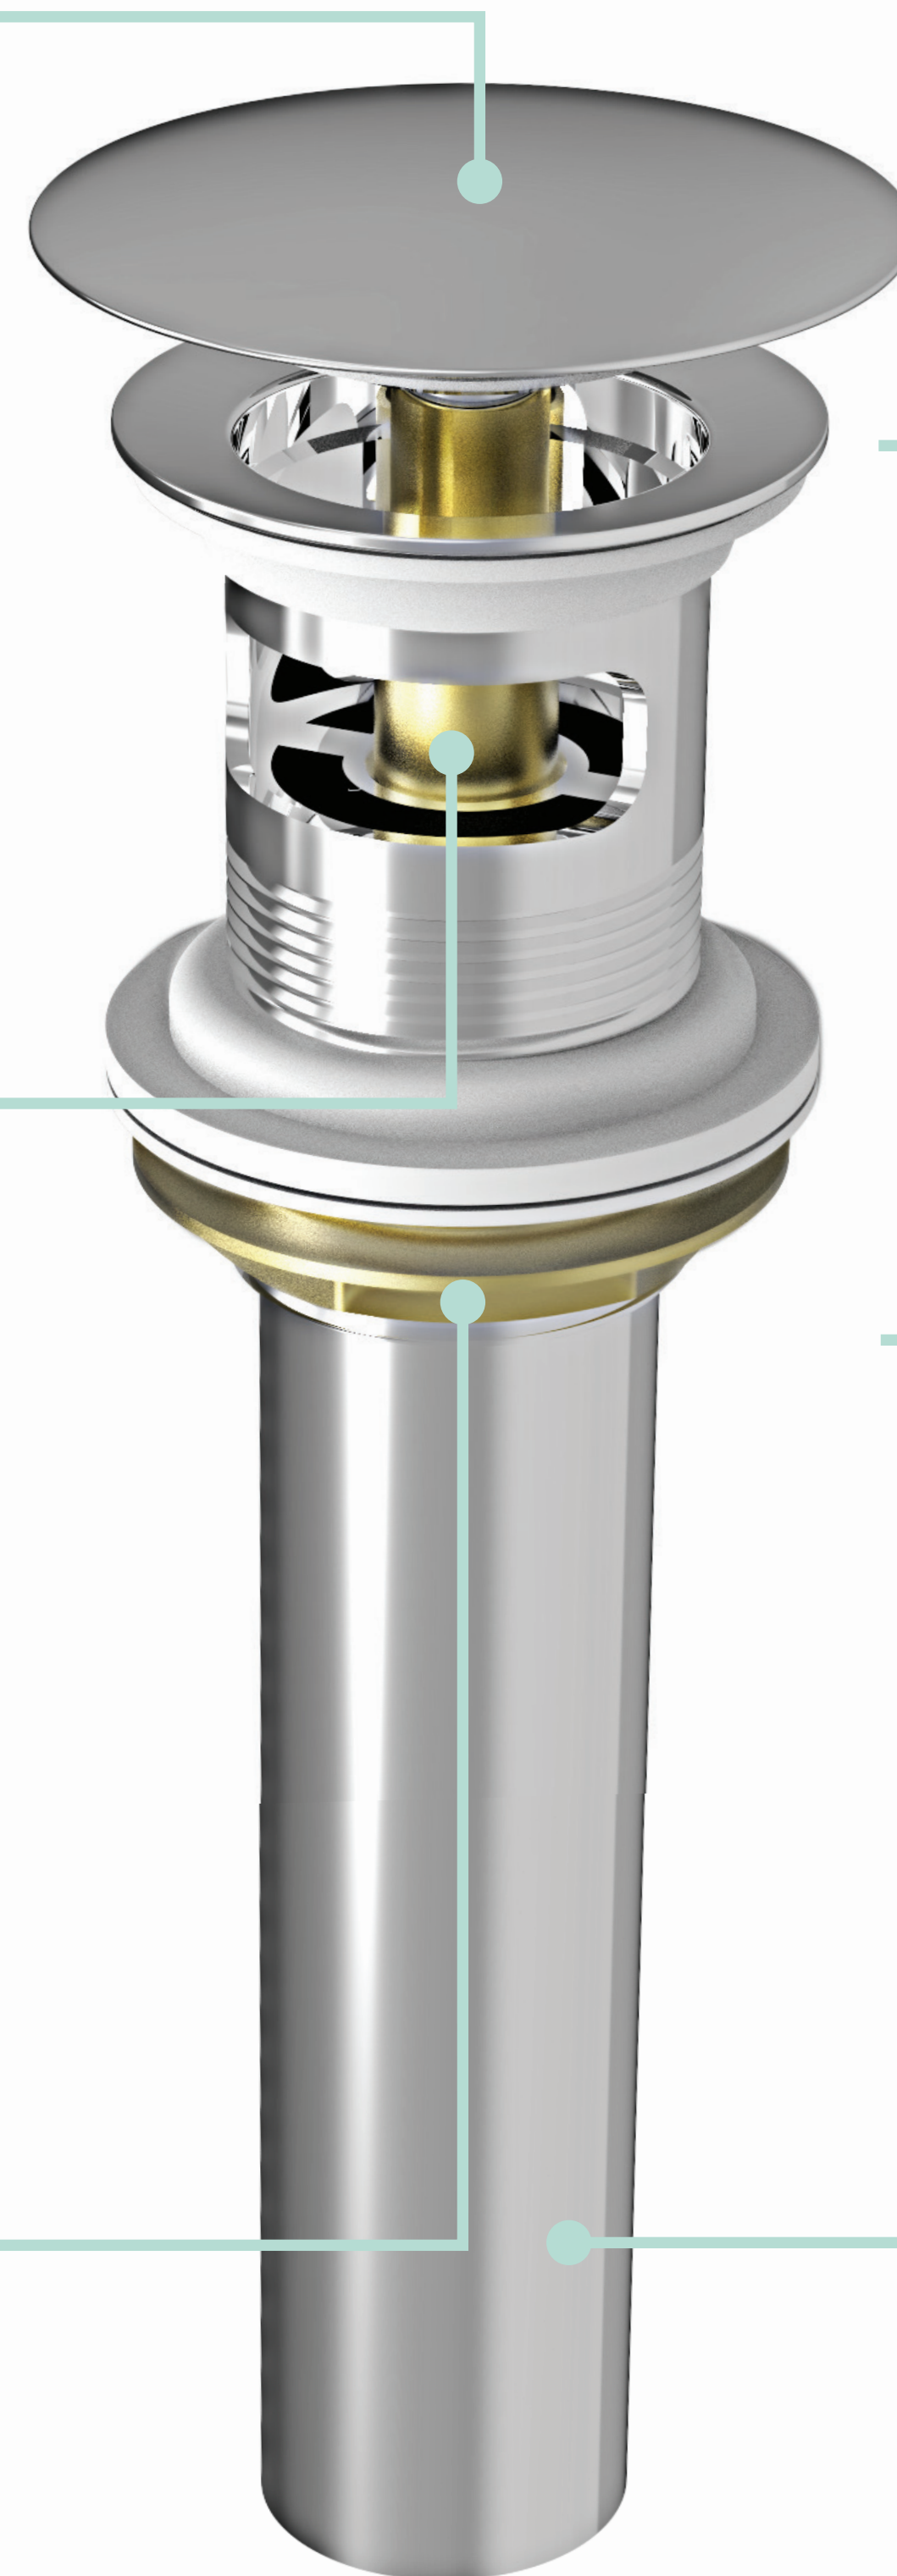

Rubber gaskets: Included

## Adaptable length

The length between the metal ring and the end of the threaded pipe is 3-1/8" (80 mm), making it a fit for every sinks.

## High quality material

BARiL drains last longer because they are made of solid brass thicker than average.

# Easy installation —

Very sturdy installation using two threaded rods and a special tightening tool included in the box; easy to tighten, even with minimal space behind the lavatory.
