Flawless finish

Multiple finishes available to give a personal touch to your faucet. Made with best technologies available

High quality material

BARiL faucets last longer because they are forged of solid brass thicker than average

German-made aerator

Produces an aerated white and nonsplashing stream

Refined design

Timeless slender tubular lines with very good ergonomics

European cartridge

Made with high performance ceramic, this cartridge is amongst the most durable on the market

Streamlined look

BARiL uses push-button drains, therefore eliminating the need for an unsightly rod (drain to be ordered separately)

Attention to Detail

BARiL faucets are designed with both style and function in mind. The perfect alignment of moving parts like the handle versus the body, is only one example of our dual design thinking.
