

B66 ZIP —

BARiL

STYLE × FUNCTION

The ZIP Collection, launched in 2004, is the ultimate timeless faucet collection. With its sleek design and rounded shapes, this faucet gives a firmly modern look that brings a sophisticated ambiance to your bathroom. Its slender tubular line comes into resonance with the decor which suits you the most, always with elegance... Try it in matte black finish for a chic and trendy result!

Durable ceramic cartridge

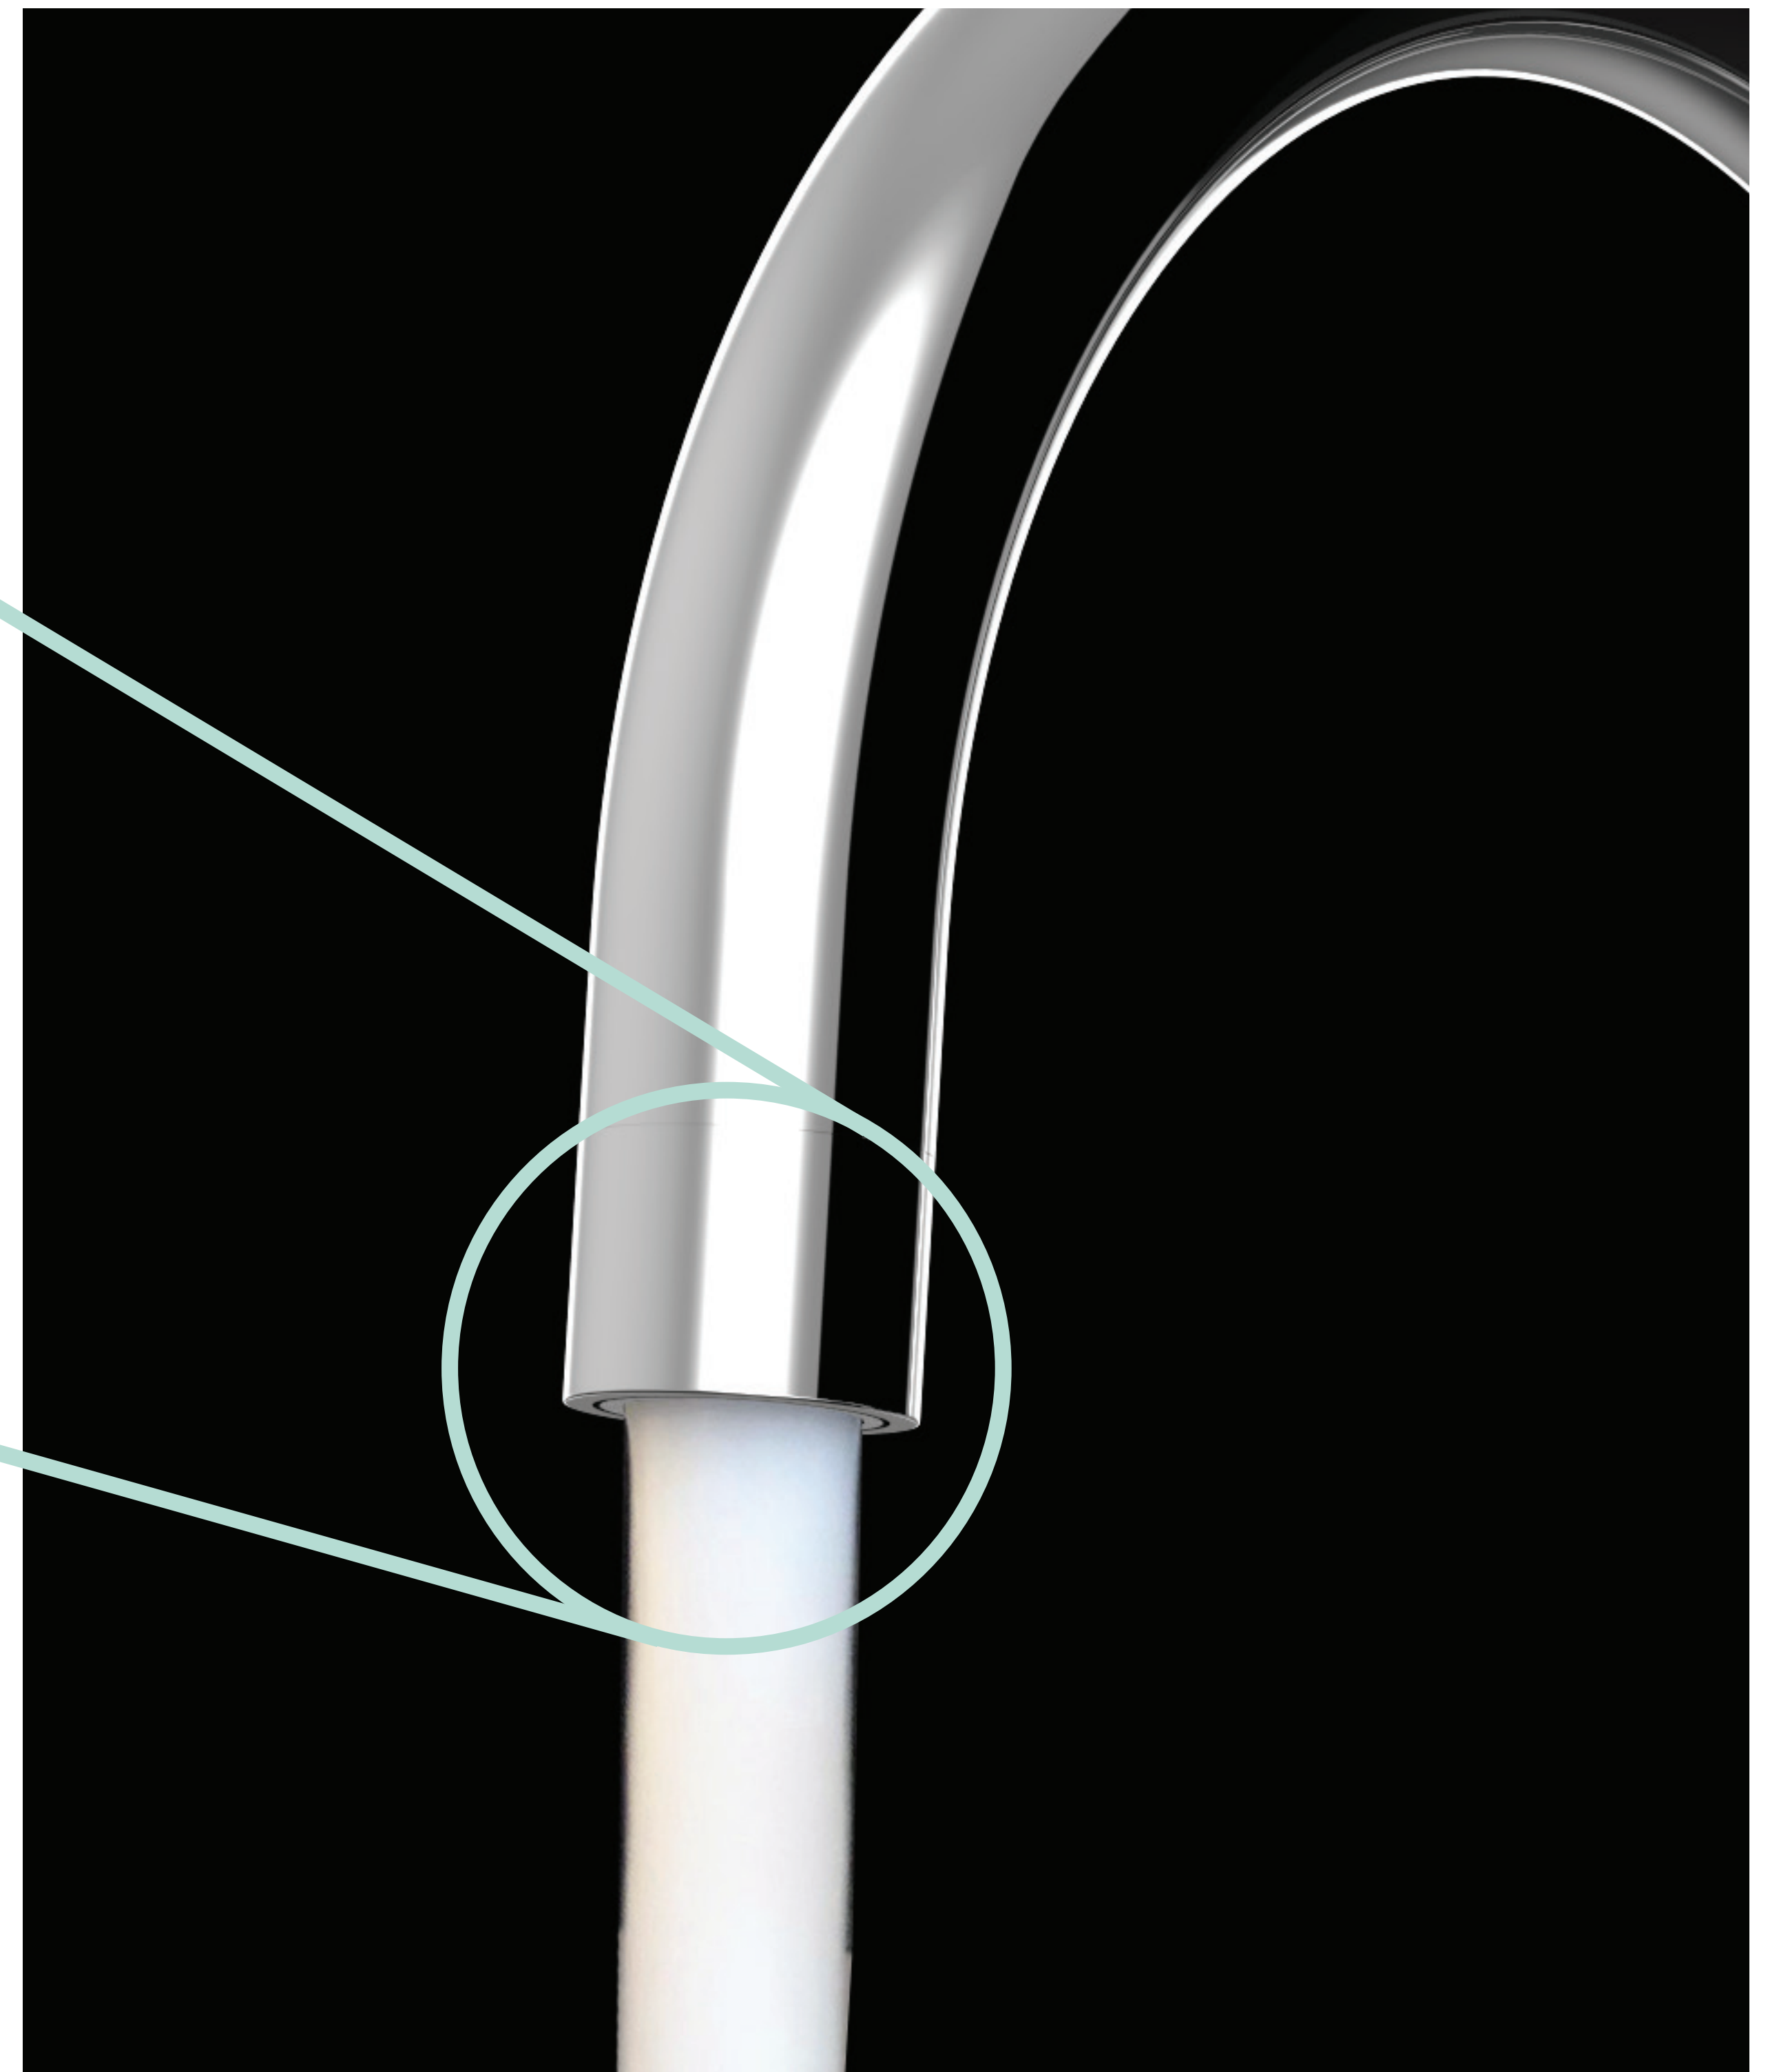

BARiL equals quality

High flow rate —

Our bath spouts have advantageous flow rates that will fill your tub faster than you expect; only 5 minutes 45 seconds for 150 l!

BARiL

STYLE × FUNCTION

Bath spout laminator

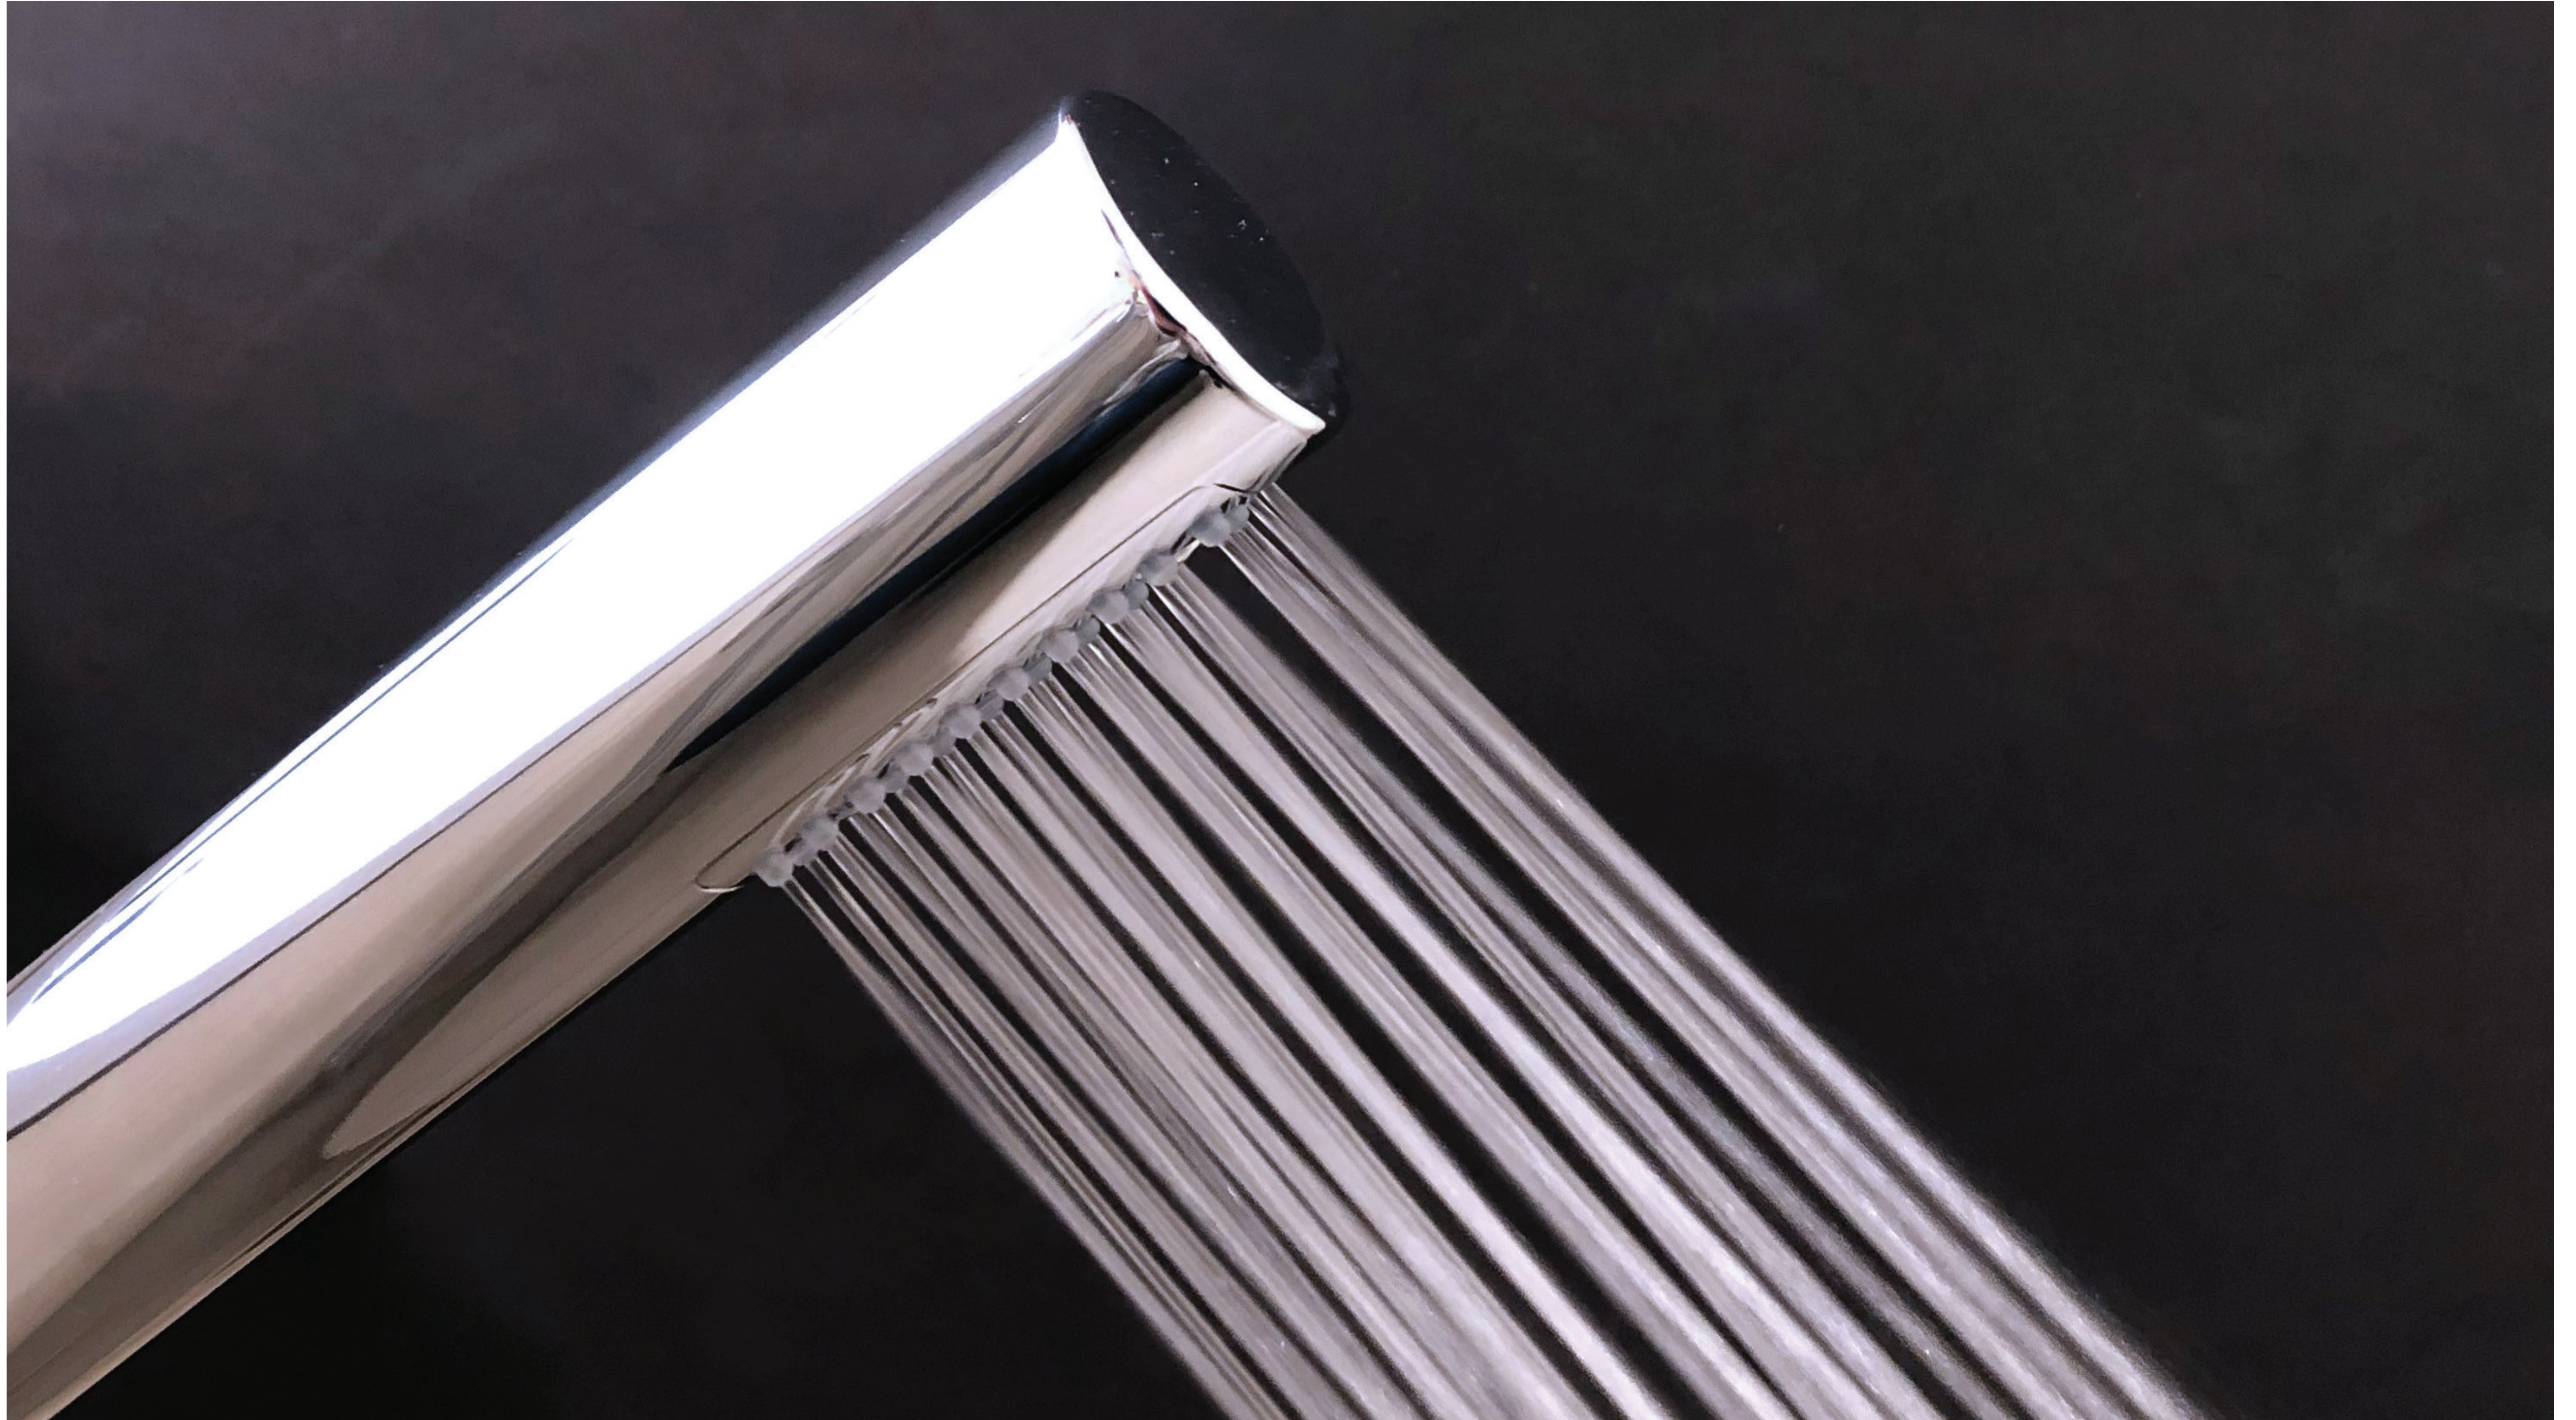

Our bath spouts are equipped with a laminator that allows a steady and splash-free stream.

High quality spray—

The anti-limestone silicone nipples produce steady, soft and comfortable jets. One more reason to love them? They are easy to maintain! Simply rub the nipples with your fingertip to clean them.

BARiL

STYLE × FUNCTION

Ecological Options (Hand shower)

BARiL is supporting the environment by offering options to reduce the water flow thereby economising your water usage

Attention to Detail

BARiL faucets are designed with both style and function in mind. The possibility to install the handshower vertically or at an angle, is only one example of our dual design thinking.

BARiL

STYLE × FUNCTION

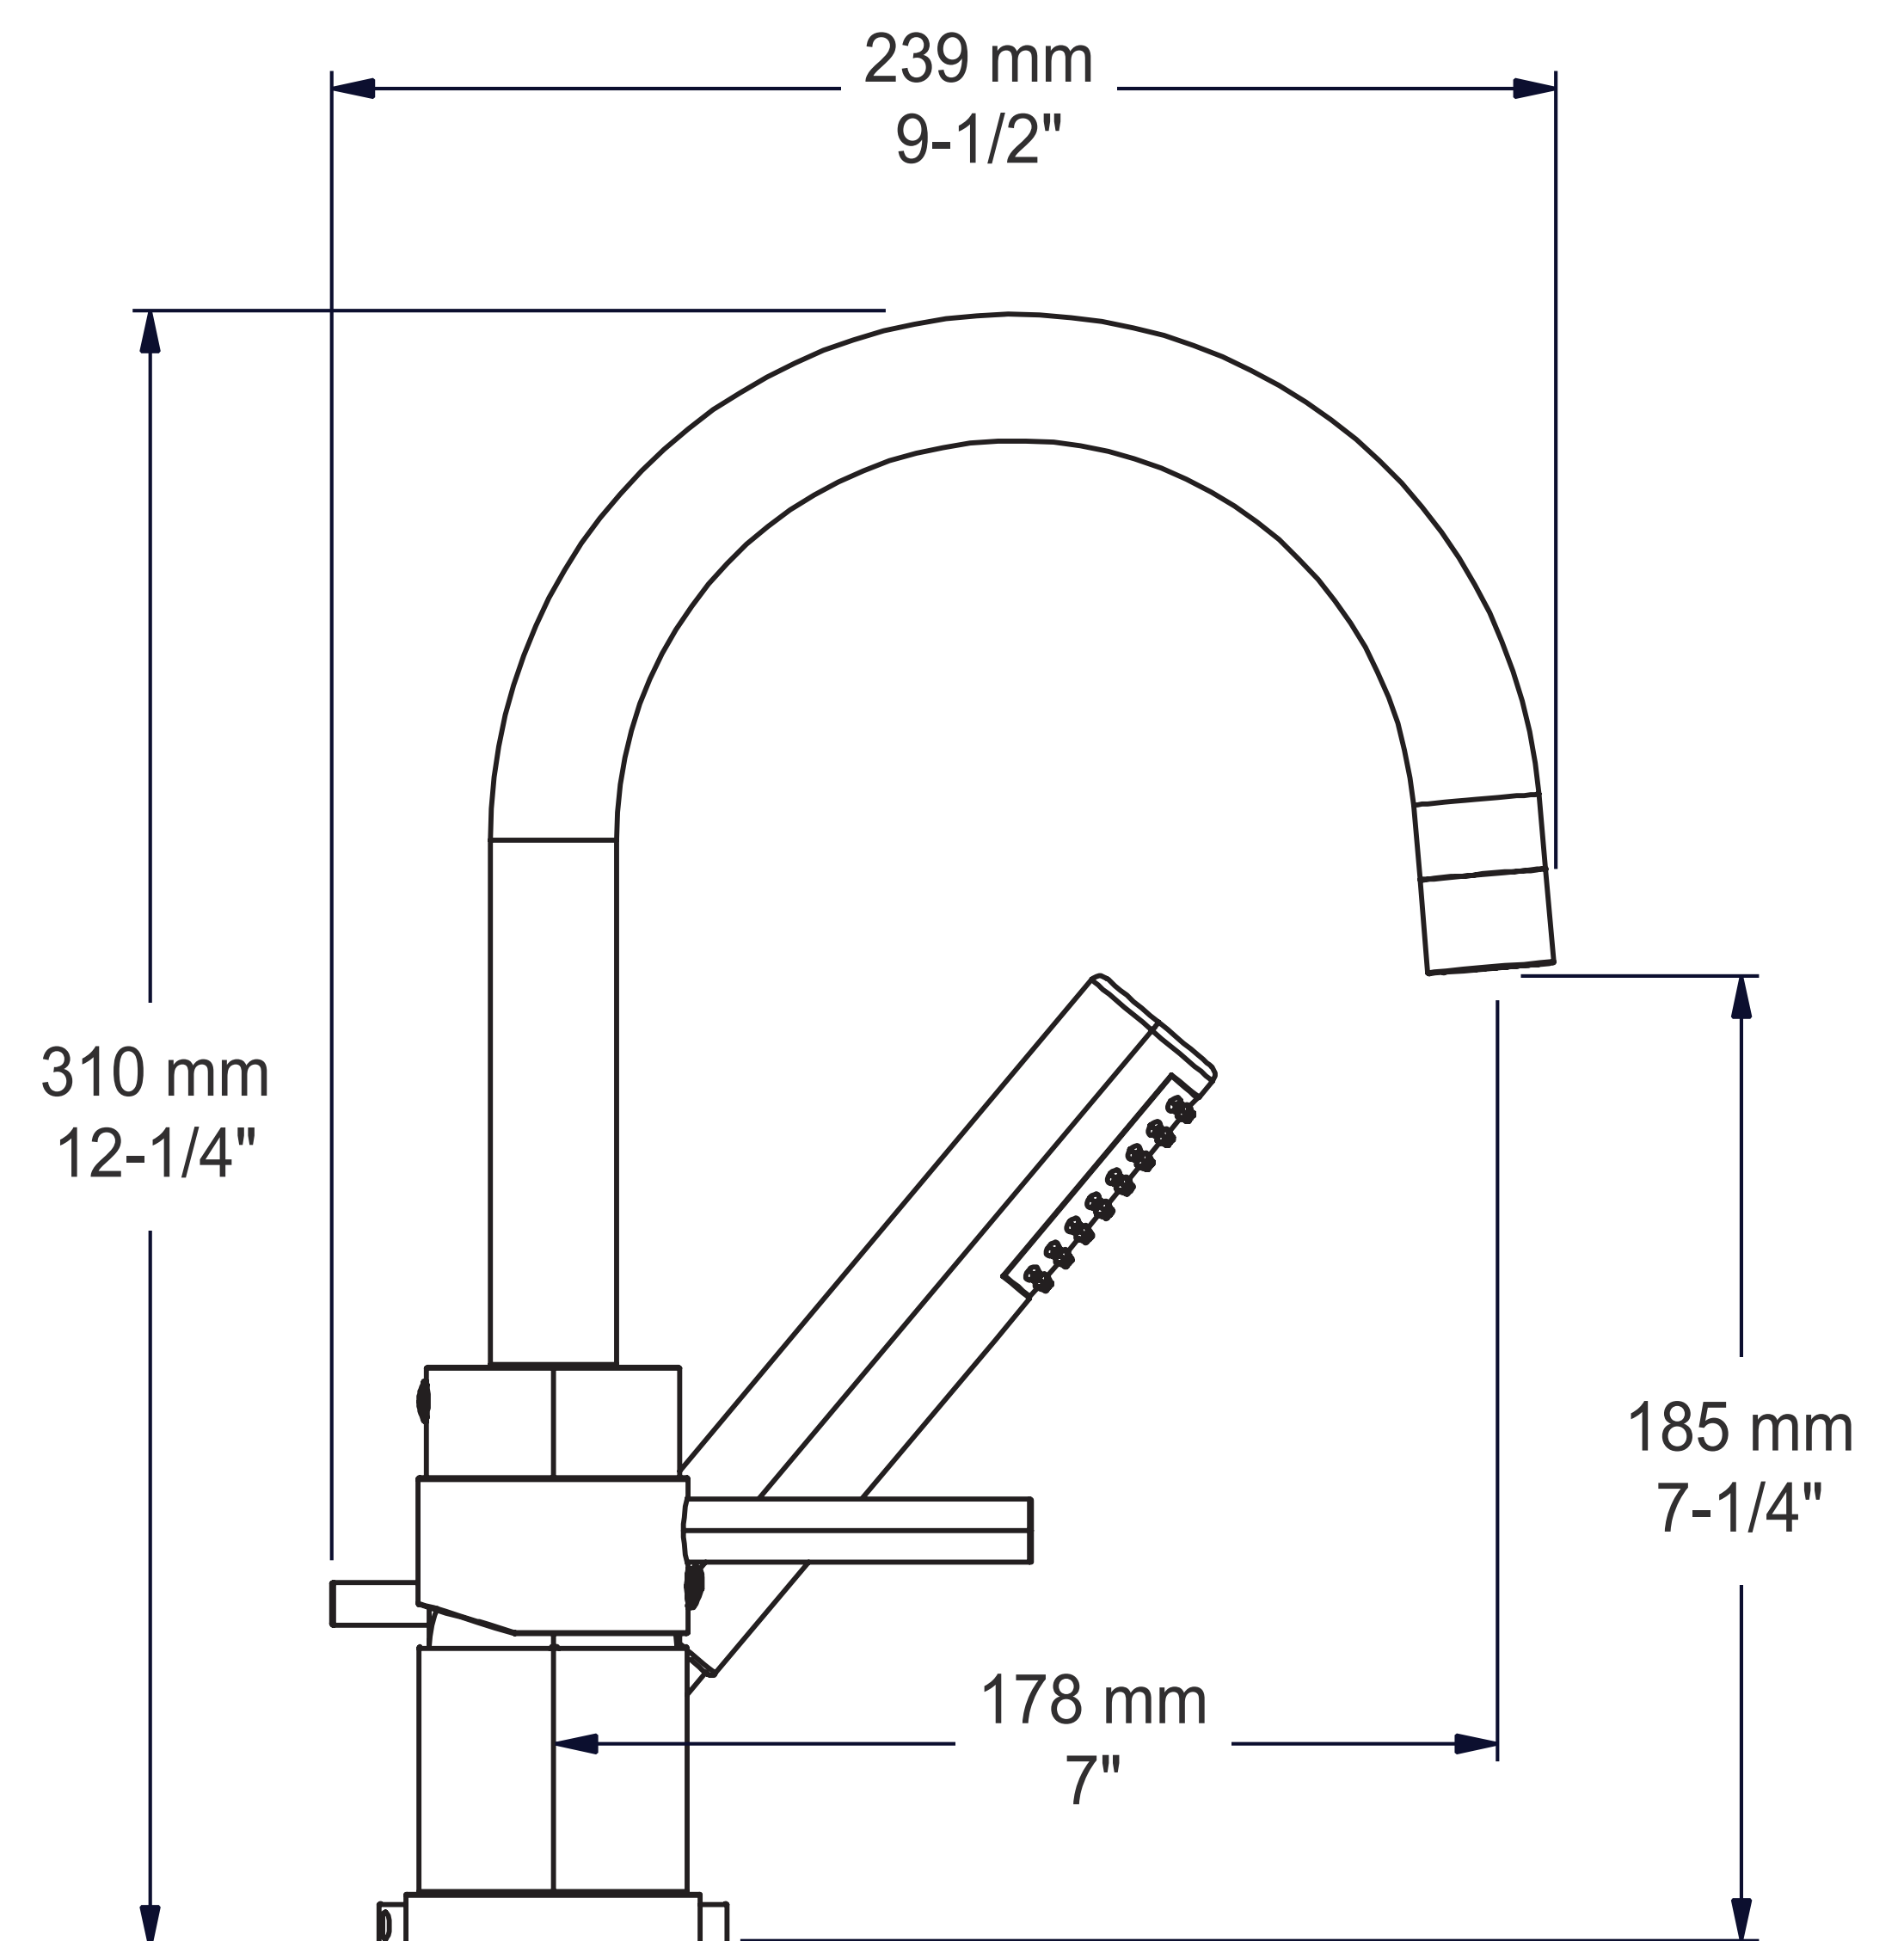

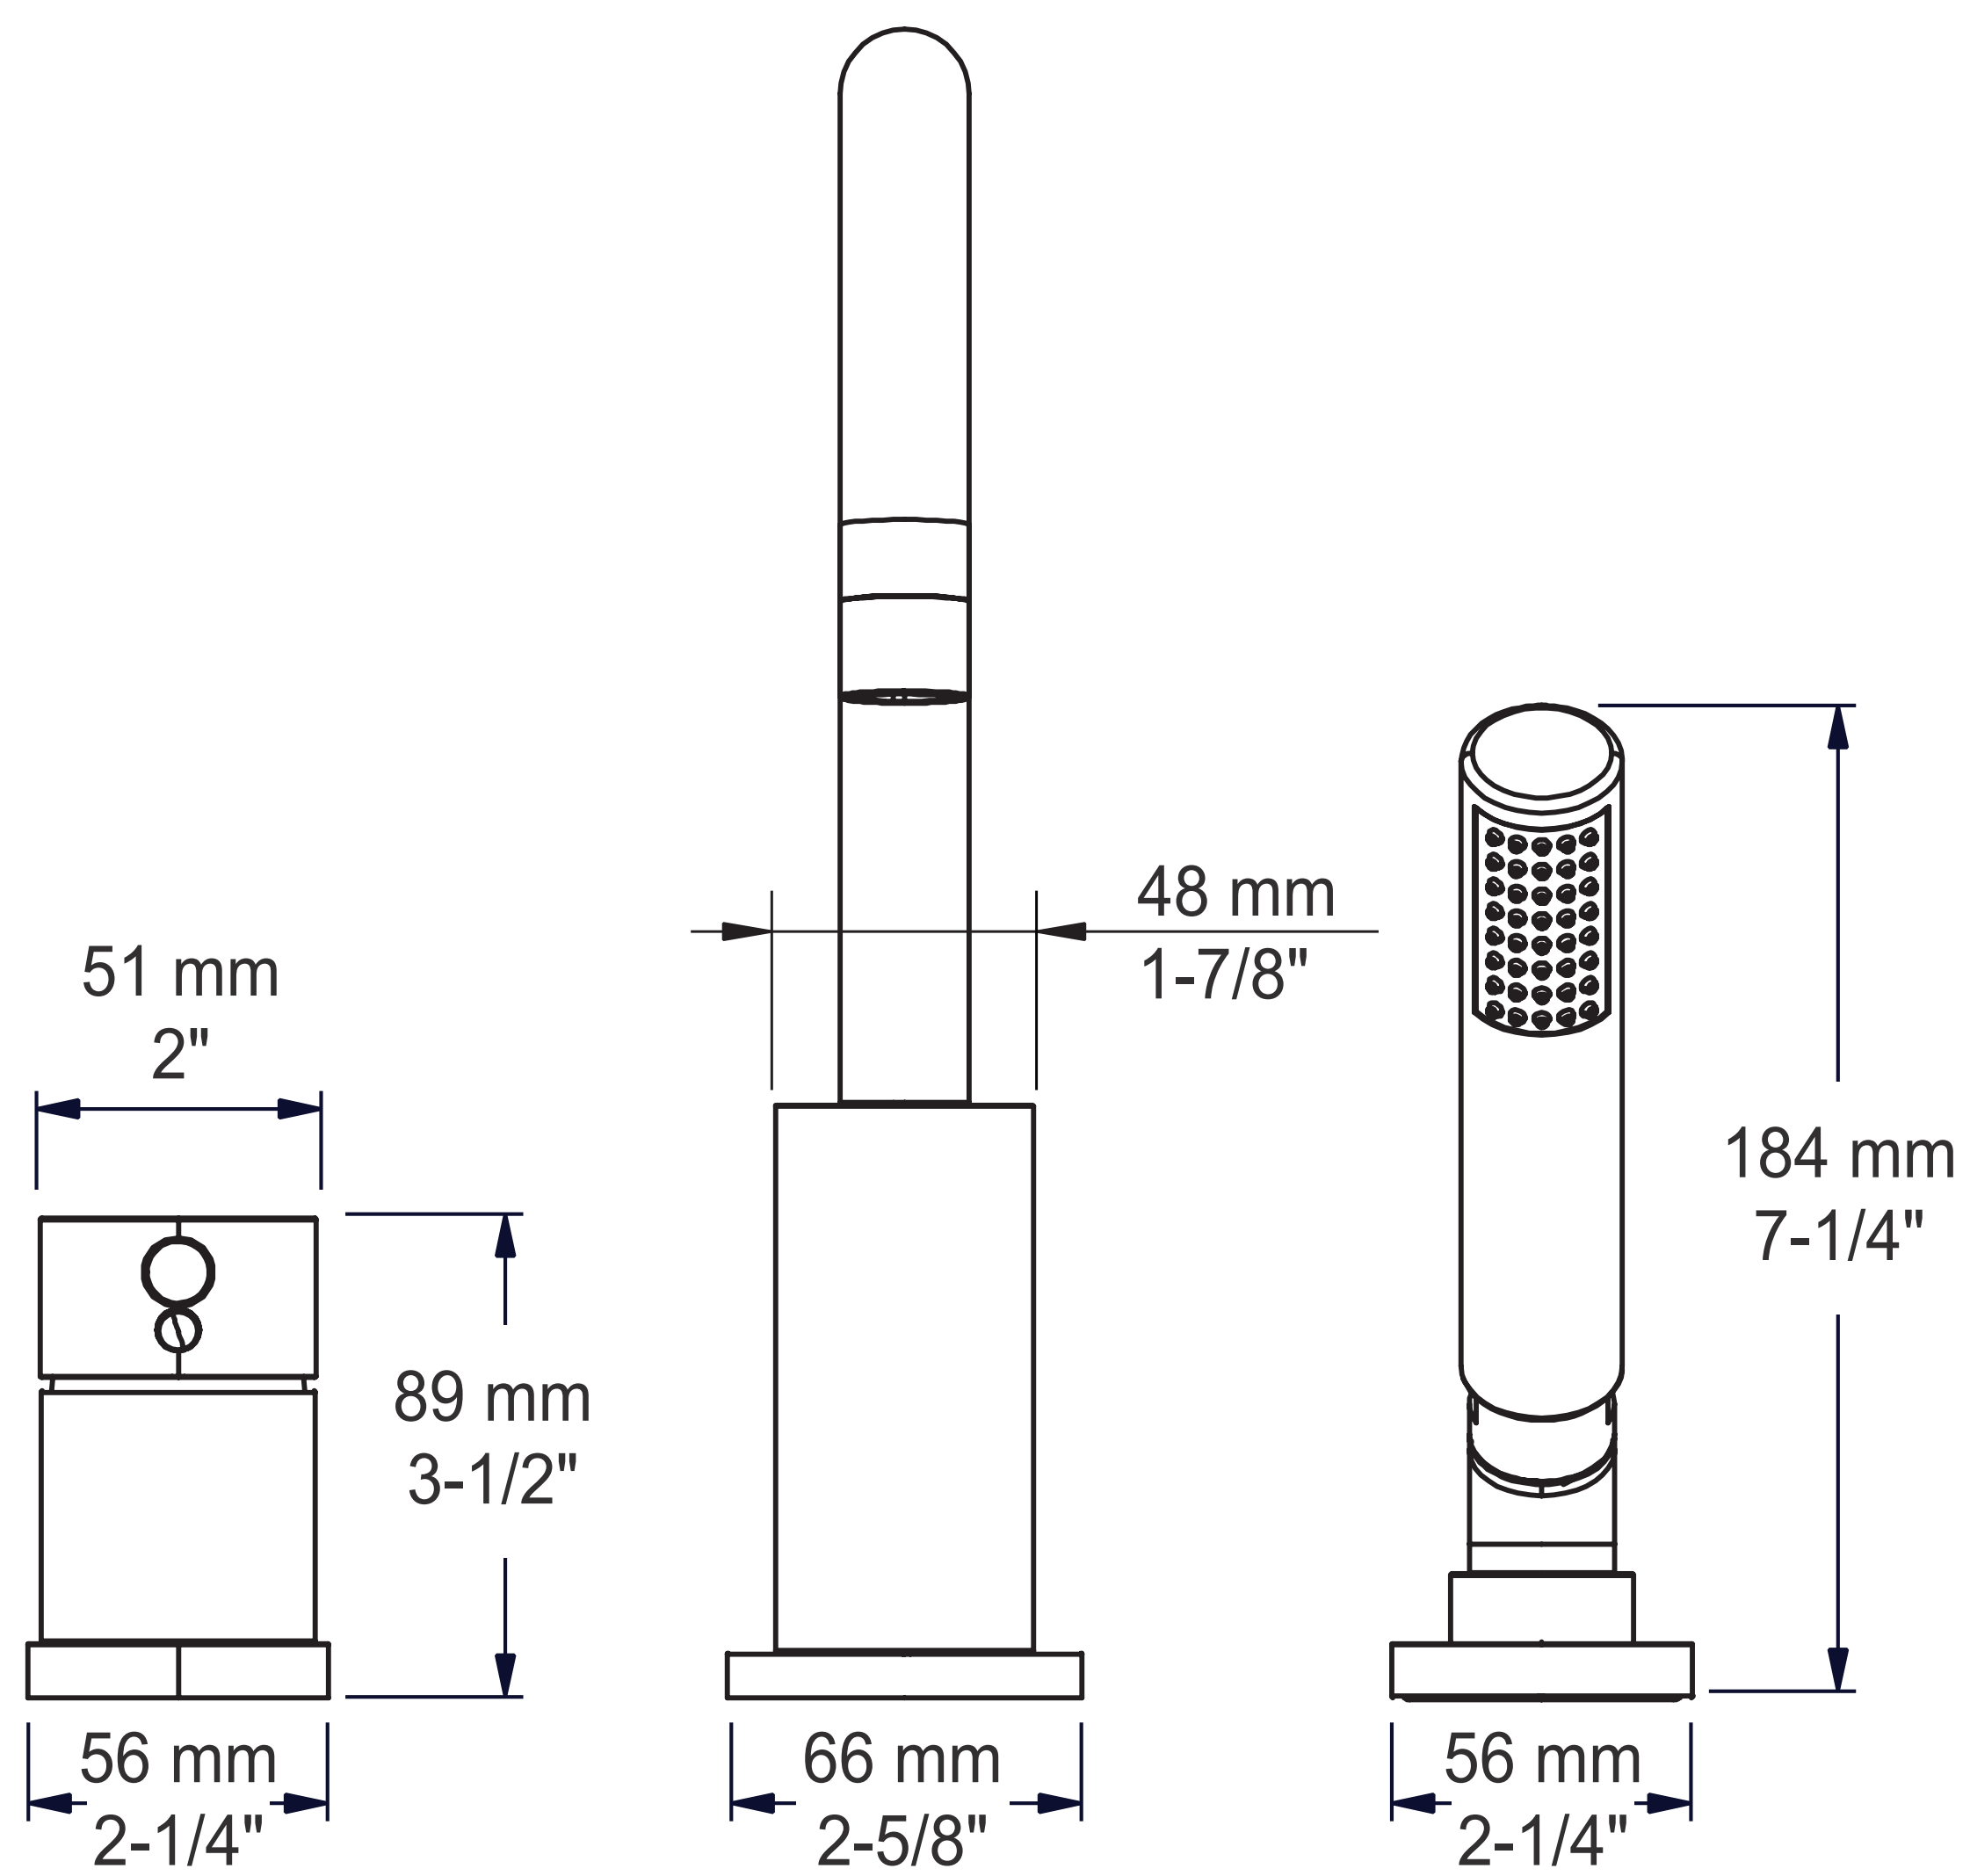

Dimensions:

Model: B66-1369-03-xx

Faucet height: 12-1/4"

Aerator clearance: 7-1/4"

Spout reach: 7"

Sturdy installation

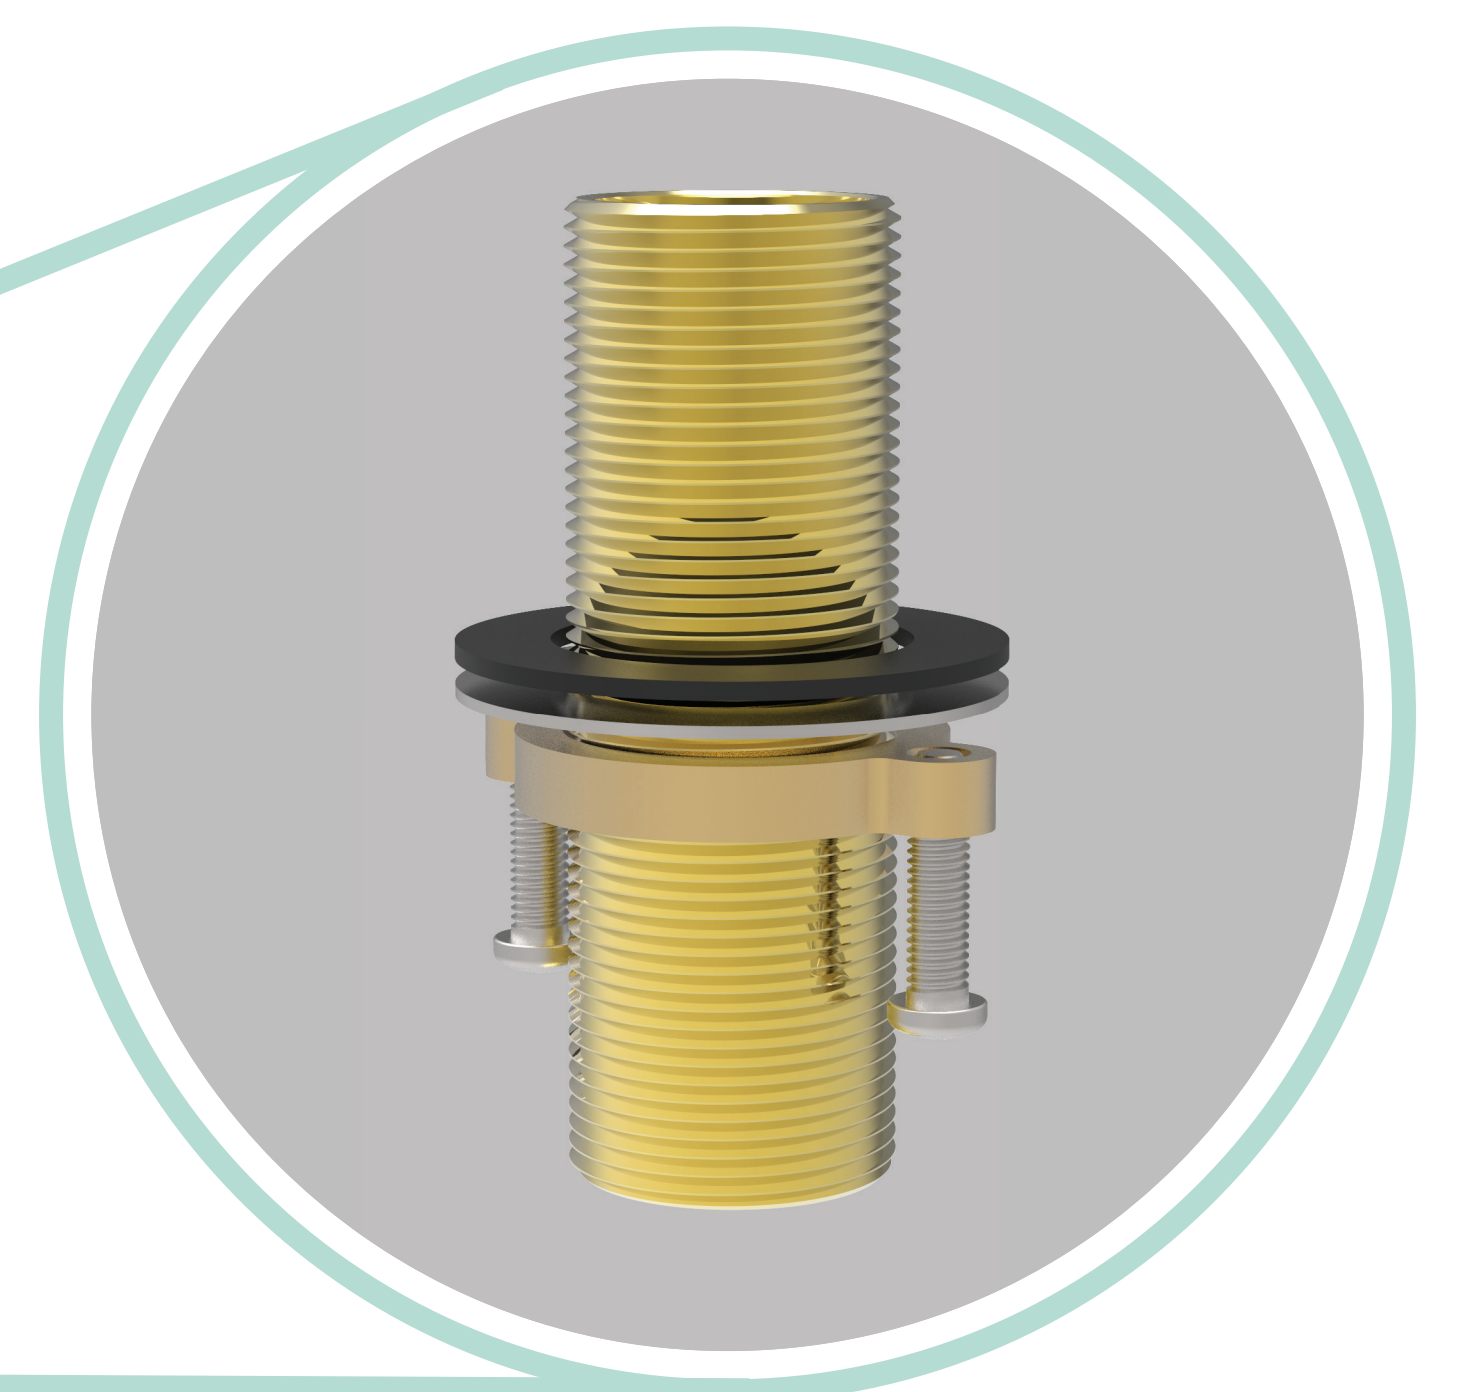

The mixer installation is very stable thanks to a thick threaded rod and a special tool included in the box. The hand shower holder is also easy to install thanks to its threaded nut with easy-to-reach screws. As for the spout, it is a slip-on installation.

BARiL

STYLE × FUNCTION

Anti-pivoting pin at the back of the faucet ensures perfect stability.

2-points tightening makes the installation very sturdy: it will not loosen.
